DREW KARANDJEFF

Yule drive will seek \$20,000

Ernest A. "Drew" Karandjeff Jr., assistant cashier of the Granite City Trust and Savings Bank, has been appointed chairman of the annual Christmas Tree of Lights campaign conducted annually by the Salvation Army to provide help for the needy at Christmas.

The goal for this year's Tree of Lights campaign has been set at \$20,000. Last year's quota was \$15,000.

"I consider it a privilege to work with the Salvation Army. Like most people I respect it very much," Karandjeff said. "In fact, respect is the hallmark of the Salvation Army. Its officers respect the people who come to them for help. They respect the trust the community puts in their hands by using funds wisely," he added.

"I feel sure our community will respond to this respect as they always do by contributing generously."

Karandjeff and the Salvation Army Advisory Board said the use of streetcorner kettles and a mail appeal will spearhead the

Campaign tops goal 3rd year

The fall 1973 United Way campaign was the first one to succeed in an eight-year period. But the 1974 solicitation also topped the goal, and the fall 1975 campaign yesterday went "over the top," extending the "victory streak" to three years.

Victory cake, donated by Harold Rudolph, was served Wednesday afternoon to a happy gathering after it was announced that \$440,474 has been raised—102.4 per cent of the \$430,000 goal.

The funds will provide part of

the operating costs for member agencies of the Tri-Cities Area United Way during 1976. A budget committee meeting is planned within a few days to act upon agency requests.

United Way President Mitchell B. Milonski, works manager of the American Steel Foundries, praised Campaign Chairman David Fox and all who contributed or helped in the drive.

Fox, marketing vice-president of the First Granite City National Bank, received an award plaque and distributed awards to division chairmen. Receipts announced were:

Industrial Division, Al P. Steinhilber chairman, \$315,386.

Business, Allen L. Jesse, \$26,263.

Commercial Division I, Robert Jackson, \$10,096.

Commercial II, Donald Van Horn, \$7,208.

Professional, Ted Ellerman and Maurice Dailey, \$13,097.

Civic, Lionel Portell, \$23,866.

Construction, Henry Ross, \$11,878.

Mail-Phone, Mrs. Emylee questioned yesterday.

Richards told the Press-Record he is aware of Granite City rules banning taxicab drivers from picking up additional passengers when they already have a passenger, unless the first passenger gives his permission.

He said cabs often pick up several fares during a run without asking permission and proceed "unless a passenger objects, and then we will take him directly to his destination," Richards commented.

Some persons have alleged that their expressed wishes have been ignored, and that they have been verbally abused for speaking out.

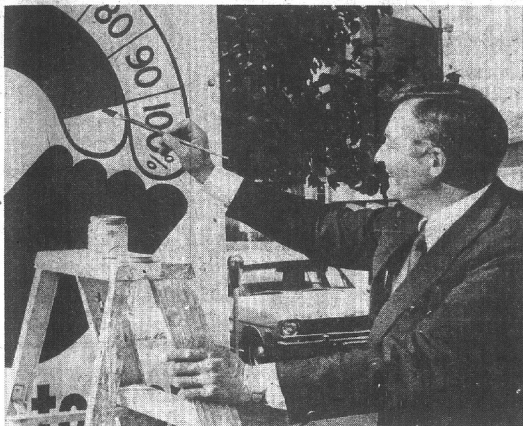

Richards said the procedure of picking up several fares while taxicabs "make a circle" around Granite City saves time for many who want a ride and enables the taxicab service to operate within the fares set by the city government, while still remaining in business.

"Drivers have been picking up passengers from several locations and putting them in the same cab here for years," he said, adding, "Some of my drivers have driven here for 25 or 30 years and they say they have always done that."

"Very few people object," he said.

Exercise is stressed at health club

(Photos on Page 4)

Spartan Health Club spa facilities in the Quad-Cities offer a wide range of fitness and exercise accommodations, Ron Shafer, the operator, has noted in leading a tour of the club buildings.

The original local Spartan spa is located at 2317 Edwardsville Road.

The business has constructed a large new facility on Route 111 just south of Route 162, Pontoon Beach. The highway area spa is to open about Dec. 1.

Spartan offers the largest stock of exercise equipment in this area of the Midwest, Shafer told the Press-Record. The enterprise does not offer any type of massages, he added.

The new club, when completed, will house three separate clubs with national affiliations. It will house a Grecian Lady Health Spa for women, the Illinois Athletic Club for athletes and the Spartan Health Spa green room program for executives.

The green room program will be for light conditioning work, basic firming and toning and will offer a cardio-vascular exercise program designed to

aid persons with heart problems.

Shafer said he is anxious to separate, in the public mind, the health spas from massage parlors. "I have over \$100,000 in exercise equipment between the present and the new club. I would like to see some kind of law passed that a business can not call itself a spa unless it has at least \$10,000 worth of exercise equipment and specified exercise programs," he said.

He pointed to a new free-standing sign in front of the new building this week described it as "open."

The "spa" was closed Nov. 1 by village authorities for allegedly violating Ordinance 143 on public nuisances. The closing was ordered by Pontoon Beach Village President Floyd David Moss, he reported, saying that he had received complaints.

The woman contacted at the establishment this week said it is remaining open daily until midnight. Employees have described its services as including "complete body massage."

An assurance that Nameoki Township will settle a long-standing disagreement between the township and the city of Madison was given by the Nameoki Town Board of Auditors Monday night as the auditors pledged to reimburse the city for half the cost of installing and maintaining the lights, if Madison would have them installed.

Madison paid \$19,583 to have the lights installed and has expended nearly \$3,000 since that time to maintain them.

Briggs proposed to pay half the cost with motor fuel tax funds, but attorneys later contended that would be illegal since the funds are reserved for road purposes.

County may appropriate \$18 million

For the 1975-76 fiscal year starting Dec. 1, a tentative budget of \$18,103,938 for the Madison County government was completed and placed on display Tuesday.

Enactment of the new budget is scheduled for Nov. 26 and any amendments would have to take place by Dec. 17, officials said.

Although the new total is a record, it includes \$4 million for a new county jail, funds already received from sale of bonds. Also part of the budget are about \$2 million in federal and state funds to be distributed among cities, villages and townships, it was stated.

The previous budget totaled \$12,987,712. Operating income for 1975-76 is estimated at \$11,554,204 and sweeping expenditure cutbacks have been made in the departmental budget proposals submitted to the finance committee of the County Board.

Among the appropriations scheduled to be decreased from a year ago is the allocation for per diem (meeting) payments to board members.

A \$508,960 reduction of federal revenue sharing receipts has been projected, worsening the financial squeeze.

A breakdown of the proposed budget figures follows:

General county purposes:

County Revenue Fund, \$5,743,309.

Federal-State Grant Money, \$2,538,421.

County Revenue Sharing, \$839,160.

Grand total, General County Revenue Fund, \$9,118,890.

Special tax departments:

Veterans Assistance Commission, \$143,865.

Civilian Defense, \$83,519.

County Museum, \$21,560.

Detention Home, \$217,901.

Detention Home Bonds and Interest, \$22,188.

Community Mental Health, \$529,272.

County Highway, \$1,062,720.

County Bridge, \$720,000.

Federal Aid Matching Fund, \$274,000.

Retirement Fund, \$950,000.

Independent Outside Audit

Fund, \$21,200.

Maps and Plats, \$122,483.

Supervisor of Assessments, \$143,388.

New County Jail Construction Fund, \$3,642,400.

New County Jail Construction Fund, Bonds and Interest, \$370,913.

Property Records Systems Maintenance Fund, \$200,000.

Tuberculosis Clinic, \$229,629.

Election Expense, \$200,000.

Total, special tax departments, \$8,985,048.

Grand total, all county funds, \$18,103,938.

Official investigation is being made of the way tax funds have been utilized by Oath (Organization for the Advancement of the Handicapped), it was learned Wednesday.

No conclusions have yet been reached as to whether the findings will justify punitive action.

The study includes the volume of various types of financial resources, the manner in which they have been expended and the uses to which they have been put.

Organizational procedures followed and potential conflicts of interest also are being reviewed.

A source familiar with the current investigation said that, aside from specific points that have been raised, a broader inquiry is the increasing flow of funds from taxpayers to the federal and state governments, filtered back to communities through many layers of various government and non-government agencies.

Venice will get big sewer reimbursement

The city of Venice will be reimbursed by the federal government almost 100 per cent for monies spent in repairing sanitary sewer damage done by the 1973 floods, Carl Byrnes, city controller, informed the Venice City Council Tuesday night.

"Federal auditors were here last week making a final audit of our records and costs and informing me that the city will receive everything spent on sanitary sewer line repairs with the exception of about \$1,000 for some rental of equipment and social security payments for some employees," Byrnes said.

The total cost of the repairs was \$279,969 and the city already has received \$15,000.

The final payment to the city has been awaiting the final federal audit.

Byrnes told the council that the auditors examined every check and bill and indicated to him they were well pleased with the city's record keeping and filing of federal reports.

"I think the city owes a real debt of gratitude to Byrnes and Benjamin Honorable, Civil Defense director. When we first started to work on the problem we didn't think we were getting anything back and this could have really put the city in a financial bind," Mayor William M. Ebersold said.

Wave of fires

The ninth fire in a four block area in the past month caused Granite City fire officials to call a state arson investigator and the Granite City police into an investigation aimed at identifying who is setting the fires.

Fire at 1:55 a.m. Tuesday caused about \$6,400 damage to a vacant apartment over a garage at the rear of 1714 Delmar Avenue. Arson is probable, fire officials said, noting fires had been set in a bedroom and on the living room couch.

Fire Chief Don Parente said his department is doing everything possible to stop the fires in the 1600 and 1700 blocks of Edison and Delmar avenues which have occurred frequently

since last month. Arson has been the suspected cause in nine of the fires.

Firemen required one hour and 30 minutes to fight Tuesday's blaze. There were no injuries.

Several fires were believed set to cover up burglaries.

Damage in the four blocks in the past month has been estimated at a total of \$20,400.

The present series of fires in the four-block area began Oct. 13 on a vacant house at 1632 Delmar Ave., was set on fire.

The owner, Everett Landers, reported a loss of \$3,500, none of which was covered by insurance.

MISSIONARY FAMILY Y. The Rev. and Mrs. James L. Gulley and their children. The couple will conduct services at 8:30 and 10:40 a.m. Sunday at Niedringhaus United Methodist Church.

Missionary services Sunday at Niedringhaus Methodist

The Rev. James L. Gulley will preach Sunday at the Niedringhaus United Methodist Church at the 8:30 and 10:40 a.m. services.

The Rev. and Mrs. Gulley are United Methodist missionaries to Nigeria. Since July, 1974, he has taught pastors and teachers of Bible for secondary schools at the Theological College of Northern Nigeria.

He will return to work in the Muri Christian Training School of the E.K.A.S. Muri Church. The school trains men and women to work in villages as lay evangelists for the church and as agents of agricultural and community development.

The missionary will initiate training in the agricultural field and will fill in for the principal, Ayuba Ndulu, who is studying in the United States.

Prior to his current service, the Rev. Gulley taught for two years at the McBride Secondary School in Jalingo, North Eastern State, Nigeria.

Nancy K. Gulley teaches English at a school for wives and students at the Theological College of Northern Nigeria. In

Jalingo during 1972-1974, she taught English and mathematics at McBride, and supervised Sunday school and literacy programs. The Gulleys have two children.

Born and raised in Illinois, the Rev. Gulley earned his bachelor and master of science degrees at Southern Illinois University, and his master of divinity degree at Wesley Theological Seminary. Before becoming a missionary, he served as a pastor and an agricultural economist.

Mrs. Gulley, also a native of Illinois, earned her bachelor of science degree at SIU and her master of education degree at American University. Before serving as a missionary, she taught in Illinois, Maryland and Virginia.

Dinner-theater trip for circle

Mrs. Woodie Lynn, leader of Loyalty Circle of Niedringhaus United Methodist Church, was hostess to the circle in the church parlors last week.

A dessert luncheon was served preceding the business session.

Mrs. Doris Wigger gave the lesson, "He Forged" by R. L. Middleton.

Mrs. Lynn announced the circle's Christmas party will be held Dec. 4 at the Plantation Dinner Theater. She also gave a progress report on the church bazaar, set Nov. 21, and said a guest speaker, James Gulley, will be at the church on Nov. 16.

Others present were Mabel Stewart, Katherine VanOrder, Alice Cruse, Jan Kohl, Clara Huber, Geraldine Thomas, Mary Nippert, Mary Alvors, Dorothy Allen, Lillian Compton and Reba Wallace.

Commission plans New Year's dance

The Mexican Honorary Commission will sponsor its first New Year's Eve dance at the new club facility, 1801 Spruce St., formerly the Hungarian Home.

Plans for the event, which will be open to the public, were discussed last week at a meeting of the commission's building committee. Abel Valencia, chairman, was in charge.

Current plans call for dancing to the music of the Variety Five from 9 p.m. until 2 a.m., with a package deal of setups, refreshments and other refreshments included in the ticket price.

Information and tickets may be obtained at the club on Friday, Saturday and Sunday evenings, or from commission members, or by calling 876-7264, Valencia noted.

Proceeds from the party will be added to the building fund to continue refurbishing and expanding the facility, the chairman said.

Considerable remodeling work already has been completed inside the club, which now accommodates a total of 300 persons, plus a dancing area, Valencia noted.

Rites today for Claude Wrigley

Claude Wrigley, 65, of 419 S. Clinton St., Collinsville, father of Mrs. Harold (Shirley) Perryman of Granite City, died at 1:20 a.m. Monday at Belleville Memorial Hospital. He had been ill three years. Mr. Wrigley was a retired railroad car inspector. Other survivors include a sister, Mrs. Eugene (Gladys) Klein of Collinsville; three brothers, Clarence Wrigley of Caseyville and Floyd and Jerome Wrigley, both of Collinsville, and four grandchildren. Funeral services were held today. Details are given in the obituary column.

Open house at Venice schools

Parent conferences and an open house at Venice High School and elementary school will mark observance of American Education Week Nov. 16 to 22 by the Venice School District. Parent conferences are scheduled Wednesday, Nov. 19, from 1 to 3:15 p.m. Open house from 6:30 to 8:30 p.m. The first session of the open house will consist of parents visiting the classrooms for one hour. The second session will consist of a panel of administrators and teachers who will conduct a question and answer period. Refreshments will be served.

Seek dog that bit boy, 14

David Williams, 14, of 2536 Angela Drive, was bitten by a small black dog believed to be part poodle near the 2500 block of Angela Drive. The boy's mother, Mrs. Dolores Williams, asked that anyone knowing the whereabouts of the black dog to call her at 931-2448 to avoid having her son take a series of painful rabies shots. The boy was bitten when he broke up a fight between his dog and the black dog.

Welding, data processing at Venice Lincoln Center

Enrollment for Adult Education Classes is now open to adults in the Quad-City area at Venice-Lincoln Technical Center, 400 S. Fourth St., Venice. Classes will meet from 6:30 p.m. until 9:30 p.m. each Thursday. Bus transportation is available at no charge.

The program again will include all levels of preparation for the GED Examination, for which no fee is charged participants.

Also available this year will be typing-data processing and a comprehensive welding course. The GED preparation will include math, natural science, social studies, grammar and literary interpretation, as well as Constitution information and test-taking skills. The program will be "tailormade" to fit the individual, as are all programs at the school.

All necessary materials will be provided for students who want to successfully complete their High School Equivalency examination. Qualified teachers experienced in adult instruction are involved in the GED program, according to R. Duane Rankin, VLTC administrator.

Typing-data processing classes will provide a full range of typing skills and an overview program in data processing, with "hands on" experience on unit record (punched card) equipment. A \$15 fee will be

charged for this program which will be taught through Jan. 29.

Welding classes are being offered for the first time at Venice-Lincoln center. A new welding shop, opened in September, is completely equipped to prepare welders in all areas, including Helarc (TIG) oxy-acetylene, electric arc and various wire-feed methods of welding, electric and flame cutting are taught, together with blueprint reading, layout and fabrication skills.

Recent evaluations by Illinois Office of Education consultants have indicated the equipment in

the Venice-Lincoln welding program is as comprehensive and modern as that in any instructional shop in the bi-state St. Louis region, Rankin said. Adult residents of the Venice School District will not be charged tuition for the welding course. Enrollees from outside the district will pay a \$15 fee, the administrator advised. Persons interested in enrolling in a course or needing additional information may visit the Venice-Lincoln Technical Center at 6:30 p.m. today or subsequent Thursday evenings, or call 876-7792.

Explains membership cutoff

Military personnel entering the Armed Forces on or after May 8, 1975, are not eligible for Amvet membership, either as a military or regular member.

Amvet Commander Vasil Graville of Madison Post 204 made the announcement at the group's meeting. Graville said that on May 7, 1975, the President signed Proclamation 4372 terminating the Vietnam Era and the cessation of hostilities; effective May 8 the Armed Forces became a peacetime service. Graville appointed Steve Kusmierczak as chairman and Bill Vavra, Joe Papa, John Graville, Wayne Kelly and Andy Hartman as members of a committee for the club's annual

children's Christmas party scheduled at 1 p.m. Saturday, Dec. 20.

The adult party will be held the same date, beginning with a buffet dinner at 7 p.m. followed by dancing to the music of the Terry Dutko Quintet. Reservations for the adult party must be made by Sunday, Dec. 14. Cost of the evening affair is \$7.50 per person.

The committee for the adult party is made up of Frank Schenckoff Jr., William Harrison, Thomas Voloski, William Diak, Andy Fryntko and Commander Graville.

New feed grain allotment set

A 1976 national feed grain allotment of 89 million acres was announced during the weekend by the U. S. Department of Agriculture (USDA).

The national allotment represents the harvested acreage that will produce the quantity of corn, sorghum and barley USDA estimates the U. S. will use domestically and for export during the 1976-1977 marketing year.

The national allotment does not represent a limit on the amount of feed grains that may be planted. It is used solely as a basis for making payments to producers should the market price fall below the established target prices or if growers qualify for disaster payments.

For 1975, the allotment was also 89 million acres. However, producers, in response to signals from the marketplace rather than the allotment, planted about 106 million acres of corn, sorghum, and barley to meet domestic needs and strong and expanding export demand. The department says it believes producers in 1976 will again study prices and demand, particularly the favorable export outlook, in planning their farming operations.

On Aug. 21, Secretary of Agriculture Earl L. Butz announced there would be no set-aside requirement for the 1976 feed grain, wheat and upland cotton programs.

Recover school district van

A van was stolen Tuesday night or early Wednesday morning from the warehouse of Granite City Community Unit School District 9, 20th and Adams streets, and was abandoned later at Niedringhaus Avenue and Adams Street after being looted and the keys taken.

Items stolen from the van, including hand and power tools, electrical cords and other items, were found hidden under a bush in a field west of the

Hartford Canal Bridge early Tuesday afternoon.

School officials discovered at 8:10 a.m. Wednesday that the chain on the north gate to the storage yard had been cut and the van removed from a warehouse. The warehouse was not locked and the keys were left in the truck, police were told.

RADIO IS TAKEN

A \$200 citizens' band radio was stolen from the pickup truck of Vernon Clutta, 3033 Sinclair Ave., parked on the Granite City Steel parking lot at 21st and Omaha streets, Clutta reported at 2:50 p.m. Wednesday. The left vent window of the truck was forced open to allow the door to be unlocked by reaching through.

There was evidence the truck struck a utility pole by the gate when driven out. Police located the deserted truck later in the morning.

An Illinois state trooper notified officials at 1:30 p.m. Wednesday that a hunter had stopped him and reported finding hidden tools and items with the school district's name engraved on some of them.

The trooper said the thieves probably intended to retrieve the stolen items at a later time.

GIRL HOSPITALIZED

Sandra Jones, 16, of 2109 Delmar Ave., was admitted for hospital care during the weekend with a fractured nose and possible internal injuries. She told authorities she had been beaten.

12 elected to board of new Colonial Bank

Approximately 75 subscribers to the capital stock of the new Colonial Bank of Granite City met at the Nameoki Recreation Center during the weekend and elected 12 directors. It was the stockholders' first meeting.

Paul H. Lichtenberger, chairman of the organizing group, reported that all of the 40,000 shares had been subscribed for and called the meeting to order.

A tally of shares represented disclosed that 28,153 were represented—18,902 in person and 9,251 by proxy.

Lichtenberger was elected chairman of the meeting and Dr. George T. Wilkins Jr., secretary. Upon a motion, the number of directors to be elected was set at 12.

When the chairman called for nominations for candidates for the board of directors, those nominated were:

Joseph V. Clark, president, Diamond Plating Co.; Christ D. Kacalief, president, Chris-Kaye Plastics Manufacturing Co.; Dr. Robert M. Lay, physician and surgeon.

Paul H. Lichtenberger, chairman, First Granite City National Bank; A. Ranft, executive manager, Tri-City Regional Port; John W. Reese, president, Reese Drug Stores, Inc.

Henry W. Ross, president, Henry Ross Construction Co.; Robert J. Swiatek, president, Colonial Haven Nursing Home, Inc., and owner-operator, Maryland Manor Apartments;

After the subscribers meeting, the newly-elected directors met to organize.

Paul H. Lichtenberger was elected chairman and George T. Wilkins Jr., secretary. Bylaws were adopted to govern operations of the bank.

A committee was appointed to investigate the feasibility of securing temporary quarters to enable the bank to open as soon as the charter is received, and to interview applicants for the various positions to be filled.

The chairman was instructed to issue a call for payment of all subscriptions, with the final payment date set for Nov. 19.

Jon Tarpoft, president, Tarpoft Packing Co.

Dr. George T. Wilkins Jr., pediatrician; Dr. George T. Wilkins Sr., educator, and Charles D. Wilkins, president, Withers Mobile Home Sales, Inc.

There were no further nominations, and the chairman declared the nominations closed and called for voting by ballot. All of the nominees were elected.

At the close of the meeting it was announced that additional shares of the bank stock will be made available and that anyone interested may contact Paul Lichtenberger at the First Granite City National Bank.

Eardrum transplant is successfully performed

Mrs. Eugene (Betty) Henry, 45, of 21 Moorland Drive, Mitchell, had a successful eardrum transplant operation

on her right ear Wednesday at the Northwestern Hospital, Evanston, Ill.

"She's doing just fine," her husband, a custodian at Colledge Junior High School, said.

"I was at the hospital for 13 hours yesterday and the operation took five and one half hours. Betty went into the operating room at 8:30 a.m. and came out at 2 p.m. I think she will be coming home Saturday," Henry said.

Mrs. Henry is in Room 326 and is able to receive visitors. Her husband said that it will be awhile before they know precisely how successful the operation was. If it is deemed to have been of sufficient benefit, she will re-enter the hospital after the first of the year for an operation on her left ear.

The operation may provide normal hearing.

Born without eardrums, she learned to achieve partial hearing aided by nerves behind the front portion of her face.

While she has not heard sounds reaching her from the side or from in back of her, she has received telephone conversations by placing the receiver against a cheekbone.

Suspect arson in house fire

Arson is suspected as the cause of a fire which caused about \$700 damage to the home of Johanna Kacera, 2745 Sunset Drive, at 8:55 p.m. Wednesday.

The occupants were not at home when neighbors noticed several small chairs and a table had been placed in the carport next to the home and set on fire.

Firemen had to break into the house because of smoke in the basement. Damage included \$300 to the house and \$400 to its contents.

Arson or vandalism also is suspected in a fire at 8:55 p.m. Wednesday at the garage of Mrs. Geneva Wallis, 2524 Iowa St., which caused about \$150 damage.

Leaves behind the garage were believed set on fire and the fire spread to the rear wall of the garage.

W. R. Williams dies at 77

Walter R. Williams, 77, of 2841 Adams St., a retired electrician, died at 9:30 p.m. Wednesday, at St. Elizabeth Hospital, where he had been a patient for a month.

A native of Edward, Ind., he had resided here for 65 years.

Mr. Williams retired in 1962 from Granite City Steel.

He was a member of the First United Presbyterian Church for 49 years and also belonged to Masonic Lodge 635 and the Low Twelve Club.

Survivors include his wife, Mrs. Nora (Olm) Williams and a brother, Fred Williams of Granite City.

Funeral arrangements are given in the obituary column.

Two injured in car-train crash

Two women were injured when the auto of Marilyn Wood, 27, Cadet, Mo., and an Illinois Terminal Railroad engine collided on the Edwardsville Road crossing near 14th Street at 8:45 p.m. Tuesday.

Witnesses said the crossing lights were flashing when the northbound car approached, skidded and struck the left side of the engine.

The train had just stopped and was beginning to back up, crew members said.

Marilyn Wood suffered minor injuries which did not require hospital treatment.

A passenger in her car, Lovena Peden, 19, Potomac, Mo., was taken by ambulance to St. Elizabeth Hospital where she was admitted with abrasions to her knees, her right thigh and her face and injuries to her face from broken glass. A series of x-rays was taken.

elected and in turn elects its chairman. Non-elected citizens are appointed and confirmed to serve on the Mental Health (700) Board, which then disburses funds to organizations over which taxpayers have no effective authority.

The proposed December 1975-November 1976 Madison County governmental budget completed this week lists \$24,401 for an "Oath program."

Voting and procedural methods utilized by Oath-and the manner in which funds spent—have been challenged frequently by some of the members and board members.

Control of the Oath organization is said to have shifted dramatically in recent weeks through a device of selling voting stock at \$10 a person.

Allegations include board and bylaw changes without adequate notice, and bypassing of the designated nominating process.

Some members left an Oct. 30 meeting after observing the manner in which the meeting was being conducted and after noting indications of the threat of physical harassment and harm by some of those present, it is asserted.

Many of those in the gathering had no advance knowledge of the organization or its aims or rules, and some appeared to be out of control of their conduct or potential conduct due to drinking or other factors, it is contended.

Points at issue include utilization of large sums of public money for purchase of facilities, equipment and building materials, with the organization in effect obligating taxpayers for major costs without advance public knowledge of such purchase plans.

Some of those who defend Oath actions attribute criticism to "politics, geographic prejudice or religious intolerance" but the investigator Wednesday said none of these prompted the formal study of Oath that has been launched.

campaign. Kettles will be placed in business areas and manned by representatives of service clubs and civic groups.

The Tree of Lights campaign will be initiated in a ceremony at noon Friday, Nov. 28, at Memorial Park across from St. Elizabeth Hospital. Invited guests will participate in the program.

The Sacred Heart Choir will present a selection of numbers and Christmas caroling. The Salvation Army Canteen will provide coffee and donuts during the ceremony.

The campaign will continue through December, concluding with the Starlight ceremony on Christmas eve.

The Salvation Army Center for Christmas Assistance opened Monday and will operate until Nov. 21 at 1909 Grand Ave.

The center will accept registration of families to whom Christmas baskets will be delivered. The office is open from 9 a.m. until 4:30 p.m. Monday through Friday. All applications must be made in person. None will be taken by mail or phone, according to Capt. Michael Tompkins, commanding officer.

Strong South matmen preparing for Nov. 29

GC South wrestling mentor William Schmitt, who was honored earlier this year as the Warrior head coach for 25 years, will attempt to guide his mat team to another winning season in 1975-76, including possibly a 19th Illinois High School Association district title, a second state title and another championship at its annual holiday tournament.

During the 1974-75 season, South High won its holiday meet, captured district honors and placed second behind Bellevue East in sectional competition.

The Warriors posted a 9-1 dual-meet record. No longer a Southwestern Conference school, South last season shared the conference crown with East.

South will open its 1975-76 season schedule Nov. 29 on the road at Danville in a triangular meet with the host school and Normal at 1 p.m.

The remainder of the mat card is:

- December
 - 2 — Riverview East (Frosh) here 4 p.m.
 - 5 — Edwardsville here 6 p.m.
 - 6 — Bloomington and Decatur Eisenhower here 1 p.m.

Sports stars to help honor park athletes Monday

More than 350 persons are expected to attend on Monday evening, Nov. 17, the Granite City Park District's 16th annual sports awards banquet at the Granite City High School South cafeteria.

Beginning at 6:15 p.m., the dinner will honor Quad-City area athletes who have participated this year in park district sponsored sports activities.

About 166 trophies will be presented in five categories—baseball, softball, tennis, basketball and flag football.

Service and appreciation awards will be presented to an individual or individuals who have contributed time and effort in supporting youth programs in this community.

Henry Gabriel, park board president, will serve as master-of-ceremonies. He will introduce six national sports figures, including former Granite Cityan Dal Maxvill, and several officials of the community.

Those expected to attend include St. Louis Baseball Cardinals Pitcher Al Hrabosky, Philadelphia Phillies Pitcher Steve Carlton, Boston Red Sox Pitcher Rick Wise, Kansas City Royals Pitcher Joe Hoerner, St. Louis Football Cardinals Fullback Jim Oatis and Maxvill, who retired from baseball after the 1975 season, in which he was a coach and shortstop for the Oakland Athletics.

Hrabosky, a native of Anaheim, Calif., majored in business management at Fullerton, Calif., Junior College and twice was named to an All-Conference baseball team.

Nicknamed "The Mad Hungarian", Hrabosky joined the Redbirds in mid-June 1970 and posted a 2-1 record. His first year pitching in Arkansas, he had an 8-2 record with back-to-back 17-strikeout games with a 3.26 earned run average.

As a relief hurler with St. Louis in 1975, he posted a 13-3 record with a 1.67 earned run average, and had 22 saves. Many view him as the past season's most outstanding major league pitcher.

Former St. Louis hurler Steve Carlton will be making his fourth appearance at the annual park event. He is currently with the Philadelphia Phillies.

Monday will mark Joe

Hoerner's sixth appearance here. He was formerly with the Cardinals and was traded to Atlanta, going to the Kansas City Royals three years ago.

It will be the third appearance here for Rick Wise, a former Cardinal acquired from Philadelphia in the Steve Carlton trade. Wise later went to Boston for Reggie Smith. During the 1975 World Series, Wise posted a 1-1 record for the Red Sox.

Otis will represent area football players. A graduate of Ohio State University, he joined the New Orleans Saints in 1970, was traded to the Kansas City Chiefs in 1971 and was acquired by St. Louis in 1972.

In his initial season with the

Cardinals, Otis rushed for 664 yards and netted 109 yards on 19 pass receptions. In this week's 24-23 victory over the Philadelphia Eagles, Otis carried 17 times for 53 yards and scored a touchdown on a pass from Quarterback Jim Hart.

Maxvill, one of the most successful athletes to come out of Granite City, started his baseball career in 1951 with the Granite City Police League and was a GCIS player under then Coach Al Lewis.

A graduate of Washington University, St. Louis, where he received a degree in electrical engineering, Maxvill was signed as an infielder by the St. Louis Cardinals in 1969 after playing in such leagues as the

Inter-City.

He was a member of the Cardinals' 1964-67 World Series teams. Traded to Oakland in 1973, he then went to Pittsburgh in August 1973 and rejoined the Oakland club in May 1974.

A coach at Oakland this summer, he also was activated as a shortstop. He announced his retirement from the sport this fall.

Maxvill saw action in five World Series—with St. Louis in 1964, 1967 and 1968 and with Oakland in 1972 and 1974—as well as playing second base in the all-star game the year the Cardinals provided all four starting infielders.

Those interested in attending, at a cost of \$2.75 per person, may purchase tickets at the park office in Wilson Park today and tomorrow until 4:30 p.m.

one three-game winning streak and a six-point loss to state-playoff-bound Dupo.

Opening the season Sept. 5 with a 14-0 loss at Wentzville, Mo., Madison High defeated DeAndreis 20-14 the next week and then lost 14-12 to St. Louis Central.

MHS outscored Columbia 28-6 before losing its next three contests — 46-0 to Alton Muecke, 12-15 in overtime to Dupo and 26-0 to Assumption.

The Trojans rallied to victory for three consecutive weeks — 22-12 over Calvary-Hardin, 20-12 over Mater Dei of Breese and 20-19 over Jerseyville — before bowing 15-14 in the season finale at Pacific, Mo.

Rushing was the "name of the game" for the Trojans, who netted 2,179 yards to opposing schools' 1,375.

Senior Back Dwight Chillers gained nearly half of Madison's total ground yardage, 1,018 on 120 carries, and garnered nine touchdowns. Chillers passed the 1,000-yard mark in the last game of the season, carrying 14 times for 95 yards.

Quarterback Mike Woods, a senior, ran 67 times for 314 yards and five TDs.

Senior Curtis Bradley was the second-leading rusher with 326 yards on 74 carries. Pete Feurka and Duane Bohanin, juniors, scored TDs on runs.

Madison's aerial attack netted 476 yards, compared to opponents' 1,068. The Trojans

tallied four touchdowns on pass completions.

Senior Dalred Haynes pulled in nine passes for 226 yards and two TDs. Sophomore Lloyd Williams had one reception for 11 yards and one TD, and Freshman James Heard caught two for 48 yards and one TD.

Junior Brian Eaves was the second-leading pass receiver, four catches for 71 yards.

Well completed 27 aerials in 92 attempts. Eleven passes were intercepted by defenders.

Defensively, Junior Mike Terrell picked off seven enemy passes, Haynes two and Woods one.

Senior Chris Horton led the team in tackles with 108, and Haynes followed closely with 104. Madison totaled 633 tackles for the season to opponents' 427.

Madison's defense recovered 11 enemy fumbles and allowed 23 TDs during the season.

Twelve seniors competed in their first year of Madison football — Woods, Harold Williams, Bradley, Art Dan-drige, Chillers, Ron Baker, Bob Stern, Cedric Wilson, Mark Jiles, Haynes, Horton and Ray Synisk.

Seeking to fill their shoes next year will be Juniors Harold Sullivan, Craig Brown, Harold Terrell, Terry Sharp, Juan Gardner, Jeff Thompson, John Palchefe, Pete Feurka, Mike Bartley, Alfred Crawford, Carl Hicks, Bohanin, Eaves and Rudy Rangle.

Local soccer players starring at Rockhurst

Three former Granite City soccer standouts — Harvey Breckner (GCHS), Charles Bennington (GCHS South) and Ron Goldschmidt (GCHS South) — are members of the Rockhurst College team from Kansas City, Mo., that has begun post-season action with a 12-2 regular season record.

Seeded first in District 16 (NAIA), the Rockhurst Hawks last week defeated Ottawa University in Kansas 3-0 to advance to playoffs this Saturday.

Goldschmidt has joined other defensive players in giving solid assistance to Goalkeeper Tom

Rogles. The support was evident in Rockhurst's 2-0 shutout win over 14th ranked University of Missouri-St. Louis, coaches noted.

Offensively, the Hawks feature balance, with eight players scoring seven or more goals, including 11 by Breckner and 10 by Bennington.

Hearing held here today on state energy

The Illinois Energy Resources Commission began a public hearing today at the City Hall in Granite City to receive comments on energy matters and on state environmental policies.

About 25 were present when the deliberations began at 10 a.m. Presiding is Adeline J. Lucco of this district. She is a state representative from Zion.

Also here from the 18-member commission was State Rep. Joe Lucco of this district. He urged attention to pollution problems, tempered by practical considerations, and voiced concern that replacement of the Alton locks and dam is being blocked.

Early testimony was received from the Electrical Workers union, suggesting state building code and energy revisions, and from the Olin Brass Works.

Open house at Lake School

Open House will be observed from 7 to 9 p.m. Monday at Lake School. Parents of students and area residents are invited to visit the classroom and inspect the pupils' work.

At a meeting of the Lake PTA executive board last night, Tully Heubner, Granite City School District director of business affairs, discussed the relocation of the East 23rd Street and Highway 102 intersection in relation to the school's parking lot entrance.

He said changes in the high way plan will require closing one entrance to the parking area. Heubner noted, however, that the school board is fully aware of the problem and is continuing to work toward a solution to avoid traffic congestion at the school.

Pat Withers, PTA president, presided at the planning session.

Former teacher is hospitalized

Word has been received here that Mrs. Ann Busch is a patient in a Shippensburg, Pa., hospital after suffering a stroke at her home.

Both Mrs. Busch and her husband, Albert P. Busch, are former teachers in the Granite City schools.

The couple moved to Chambersburg, Pa., in 1966 and recently moved to 223 Lurgan Ave., Shippensburg, Pa. 17257.

W. Pontoon crossing gates stuck 2 hours

Railroad crossing gates at the West Pontoon Road crossing west of Nameoki Road were stuck for about two hours Wednesday morning, causing a rush-hour traffic tie-up and one near accident, the Granite City police reported.

Officers said the gates first came down about 6 a.m. Wednesday and at 7 a.m. were still down, although there was no train in the crossing.

Police called the yardmaster's office, but were unable to receive an answer on the telephone. It was reported that a Gulf, Mobile & Ohio Railroad train stopped near the crossing which did not move for about two hours.

Police checked and were told the train was broken. Attempts to resolve the problem continued until 8:35 a.m. when a railroad was notified. The gates were fixed a short time later.

Mayors to meet on future of revenue sharing

Cong. Melvin Price (D-East St. Louis) will lead a discussion of the future of federal revenue sharing funds during a meeting of mayors and city officials at the Madison County Firemen's Association building, 9510 Collinsville Road, Saturday.

The meeting, sponsored by the Southwestern Illinois Conference of Mayors, will begin at 1:30 p.m. Mayors of 48 municipalities in Madison, St. Clair and Monroe Counties have been invited to attend, and each mayor has been asked to bring 10 representatives of his community.

The meeting is expected to consider means of supporting the continuation of revenue sharing allotments which depend upon new federal legislation. Some members of Congress oppose revenue sharing programs.

Olin honors 6 from here

Six Granite City residents were among the 360 employees of Olin Corporation honored for their years of service with the company at a "milestone dinner" during the weekend at the Lewis and Clark Restaurant, East Alton.

James F. Towey, chairman of the board and chief executive officer of the corporation, was speaker at the dinner, honoring East Alton Olin Works employees observing 25, 30, 35, 40 or 45-year anniversaries of service with the company during 1975.

Honored for 35-year service milestones were Harold C. Anderson, 2416 Menlo Park Ave.; Victor C. Knowles, 2306 State St.; Frederick E. Stogelmeyer, 2872 Ralph St.; James J. Thornberry, 1529 Pontoon Road; and Joseph P. Veres, 1639 Olive St.

Two hurt in auto crash

Miss Cindy Dickinson, 18, of 4908 Redwood Lane, Mitchell, was injured when her car and the auto of Sally Lambert, 2416 Menlo Park Ave., Box 910, Granite City, collided on Nameoki Road at Lindell Avenue at 10:35 a.m. Tuesday.

Police said the Dickinson was leaving the Nameoki Village Shopping Center when the southbound Lambert auto slid through a red light. Sally Lambert was charged with disobeying a traffic signal.

She had four children in her car. Three escaped injury and Mark McNeilly, 8, of Rural Route 2, Box 7099, complained of minor injuries which did not require hospital treatment.

Miss Dickinson was taken by ambulance to St. Elizabeth Hospital with injuries to her head and neck and hematomas to the left side of her forehead. X-rays were taken and she was admitted.

News notes

Alabama Governor George C. Wallace announced Wednesday his candidacy for the Democratic Presidential nomination.

Concrete was poured this week for a ramp leading down to the Madison County Courthouse basement from Purcell Street, Edwardsville. The \$20,000 move-free facility is designed for use by handicapped persons.

Backers of a bill to give striking building trades unions the right to close down entire construction sites succeeded 66-30 in ending U. S. Senate debate on it Tuesday. The "common site" picketing authorization passed the House in July.

U. S. Supreme Court Justice William O. Douglas, 77, cited his painful physical condition Wednesday in announcing his retirement. A stroke has left him unable to walk.

Collection of a million bottle caps by McKinley School pupils, shown pictorially in a past issue, has been traded and the accumulation will be displayed in the gymnasium at a Parent-Teacher Association open house at 7 p.m. Monday. The project was started in January to help youngsters visualize the quantity of one million, and the caps will be sold for scrap Tuesday. They fill a space of about nine refrigerator crates.

State Representative Clyde Choate and Richard Hart forecast Tuesday that the Secretary of State Michael Howlett will run for governor and be elected in 1976.

Jerome Johnson, 38, of 2436 Lincoln Ave., was in intensive care this week after undergoing surgery for a butcher knife wound to the abdomen. He declined to file charges.

Mark Von Nida, son of Mr. and Mrs. Chris Von Nida, 2332 E. 24th St., was selected for the honor guard of his training company at the Great Lakes, Ill., Naval Training Station. At Meridian, Miss., where he is studying, to be an aviator.

Minister, he has ranked second in his class. The June graduate of GCHS South reported for Navy duty in July.

MRS. LUCILLE MARTIN 4010 Breckenridge Lane 931-0731

The Rev. Pat Fife, pastor of Pontoon Baptist Church, has returned from Farmer City, Ill., where he conducted revival services.

Mr. and Mrs. Loren Dillman of Dongola, Ill., have been visiting relatives and friends in this area.

Mrs. Richard Johnson and daughters, Dana and Lynn, and Mrs. Moselle Clark of Kansas City were weekend guests of their mother, Mrs. Leta Kallenbun of Pontoon Road.

VISIT NURSING HOME

The Ladies' Missionary Society of Cedar View General Baptist Church met at the Anna-Herbert Nursing Home in Edwardsville.

Music was furnished by a resident of the home at the piano, and special music was rendered by Pat Dickerson and Betty Smith.

Others participating were the pastor, Rev. Hickerson, who gave the devotional, and Mrs. Hickerson, Loetta Polley, Gladys Crump, those mentioned and 35 residents of the home.

The following day the society met at the church, with 13 members and three new members present. The president, Mrs. Crump, presided.

Plans were made to present Christmas gifts to residents of the nursing home and to a missionary chaplain, Major Tattiano of Duluth, Minn.

The inspiration was given by Judy Gaines on the "Lazy Stewardess" and Betty Smith gave the devotion, "Too Busy." Brenda York spoke on "Good Stewardship." Others attending were Marie Shelton, Pat Dickerson, Ruth Clifton, Chris Williams, Jennie Hickerson, Loetta Polley and the new members, Alia Koller, Shirley Evans and Jean Williams.

MAURER IN HOSPITAL

Jay Maurer, 633 Washington Ave., Venice, is in the intensive care unit of Christian North Hospital, St. Louis, as the result of an apparent heart attack at 9:35 p.m. Monday. Maurer is superintendent of streets for the city of Venice.

Von Dee Cruse on Demo Board

Von Dee Cruse, Granite City township assessor, has been appointed to the state advisory board of the Young Democrats of Illinois, it was announced this week by YD's President Jack M. Shaw.

Shaw noted Cruse's involvement in past Young Democrat activities, and his current accessibility and helpfulness in current sponsorship of the Madison County club.

The Young Democrats concluded a two-day state board meeting at the Holiday Inn, Collinsville, this week.

Many prisoners can be rehabilitated—director

Allyn R. Sielaff, Illinois Corrections Department director, in comments here this month has defended the concept—and the result—of efforts to rehabilitate prisoners to take a constructive role in society following their release.

When questioned concerning large amounts of money being spent on rehabilitation programs, Sielaff noted: "Institutions cannot run without programs. I have seen many good rehabilitation programs work."

"If there were no programs in our institutions, they would become scenes of continued violence due to the idle time."

"Not all programs work, of course. In the past, we used to think that everyone who committed a crime was having a mental health problem, but this is not the case."

Walking bass viol wins wide public acclaim

When Gail Purkey, Granite City, a former journalism student at Southern Illinois University at Edwardsville, did her internship with the campus photographer, Charles Cox, this summer, little did she realize that one of her pictorial efforts would be published in a newspaper halfway around the world.

As Miss Purkey wandered around the university campus searching for a likely photograph possibility, she spied a music student, Leslie Carter of Edwardsville, lugging her bass viol from the classroom to her apartment.

From Miss Purkey's position, it appeared as though the huge musical instrument had legs. She pushed the camera shutter and the scene was captured on film.

News wire services picked up the picture of Miss Carter and her friend, "Willie," as the bass is affectionately called. It appeared in newspapers around the country, including Chicago, San Rafael, Calif., and Houston, Tex.

The Deutsche Press Association in West Germany picked up the "wild" (picture) and on Oct. 22 the walking bass was published in the Nordsee Zeitung, or North Sea Newspaper.

Miss Purkey would not have known that her photograph had reached the European continent had it not been for Hans Steffen, associate professor of business administration at SIUE.

A friend of the Steffen family, who was a neighbor of the Steffens when they lived in Hanover, West Germany, mailed the clipping to the Steffens from Bremen this month.

Had the photograph appeared in the Bremerhaven paper a week earlier, the friend would have missed it. She had only lived there for a week.

When Miss Carter learned that her picture was seen in the West German newspaper, she was excited. She couldn't believe that a photograph of her carrying the bass was that newsworthy.

Miss Purkey was equally surprised. "That's incredible. I can't believe it, because it was one of the last things I did in my internship. I didn't see it in any of the newspaper, and thought it died," Miss Purkey said.

Gail Purkey has graduated from SIUE since then and is working for the St. Louis mayor's Office on Aging as a writer and photographer in the public information department.

Births increase but deaths drop nearly by half
Births in the Quad-City area during October increased slightly over those of the same month of 1974, but the number of deaths last month declined 43 per cent below those of October a year ago, according to a vital statistics report released by City Clerk Robert Stevens.

The report shows a total of 89 births during October, up five over the 84 in October 1974, while deaths last month totaled 28, down from 40 in the same month a year ago.

There was one fetal death last month, compared to one in October 1974.

"The October report brought to 808 the total number of births during the ten months of this year, compared to 897 during the same period last year, and 877 deaths so far this year, compared to 905 in the ten-month period in 1974."

A total of 10 fetal deaths were reported during the ten months this year, down three from 13 at the same time last year.

February bids to build big port grain terminal

The construction of a new major grain handling facility within the Tri-City Regional Port, located on the Chain of Rocks Canal, is well into the initial development stage, the Tri-City Regional Port District board announced today.

With the recent signing of Senate Bill 1049 by Governor Daniel Walker, \$2,750,000 was allocated through the Capital Development Board, State of Illinois, for funding of the project.

The contract for engineering

of the grain terminal has been awarded to the firm of Hurst-Rosche Engineers, Inc. of Hillsboro, Ill.

Plans for site development and equipment design are presently being developed and construction bidding is scheduled during February 1976. The engineering and planning phase is estimated to cost \$240,000.

When completed and in operation, the new facility will be capable of handling unit trains of grain in increments of 55 cars per unit, transferring from rail to barge at the rate of 1,000 tons per hour.

The terminal is scheduled for operation during March 1977. Occupying 800 feet of harbor frontage, it will be located between the Bulk Service Corp. and Apex Oil Co. facilities. Railroad trackage will be directly linked with the waterfront terminal.

Stanislaus Ziaja succumbs

Stanislaus Ziaja, 1406 Warren St., St. Louis, an uncle of Quad-City residents, died at 2 p.m. Tuesday at St. Louis City Hospital.

He had been in ill health three years and hospitalized two weeks. Mr. Ziaja was reported about 85 years old.

Survivors include five nieces, Mrs. Helen Urban of Madison, Mrs. Ann Lucas of Granite City, Mrs. Bernice Tabaka, St. Louis, Mrs. Sophia Pisarkiewicz of St. Louis and Mrs. Stella Daniels, Los Angeles, Calif.

Funeral arrangements are given in the obituary column.

Man arrested after threats

Michael Joe Taylor, 24, of St. Louis has been charged by university police at Southern Illinois University at Edwardsville with assault and disorderly conduct in connection with an incident at the University Center.

Taylor is alleged to have made obscene and threatening remarks to a female student in a television viewing room at the Center during the weekend.

University police were given a description of the man who made the remarks, and Taylor was arrested the following night at the Center.

Taken to the Madison County Jail, he was released on \$50 cash bond with a notice to appear Dec. 10.

In another weekend incident, university police were involved in a search for two males in an automobile who were wanted by state police on complaint brought by an 11-year-old girl.

She reported she had been assaulted near the intersection of Highways 162 and 111 here.

University police said they saw the car sought by state police, but the occupants abandoned the vehicle on campus and eluded capture.

Investigators said the fugitives apparently attempted to steal a 1962 Chevrolet on campus and ultimately did steal a 1963 Chevrolet. The car abandoned by the fugitives also had been stolen from a retail store parking lot in Collinsville.

Murray Ohio bike service center

Tri-City Cycle, 310 Madison Ave., Madison, is now the official Murray Ohio bicycle service center for the Quad-Cities area, according to Robert Grieve, owner.

Grieve said Tri-City Cycle will honor all warranty claims on any Murray Ohio-made bike, including ones made for private labels.

Murray Ohio is the largest bicycle manufacturer in the world, according to Grieve.

Panel program at Central Christian

Mrs. Margaret Rutter, assisted by Mrs. Mary Lee Lurton, gave the study lesson "Caring About Older Persons" at the November meeting of the Christian Women's Fellowship at Central Christian Church last week.

The worship was led by Mrs. Myra Parrish on the subject, "What The Christian Faith has Meant to Me." A panel discussion followed. Those participating were: Blanche Lane, Lydia Nelson and Amy Turnbull.

Mrs. Pat Sanders read scripture passages and the

"Water for Women" offering was dedicated.

Members met in the Terrace Room, with Group One serving refreshments. Autumn floral arrangements centering the tables were arranged by the hostesses, Kay Arnette, Lydia Nelson and Mae Bernard.

The Rev. Dennis Rutledge, pastor, led the group in several games and reported on a regional program planning session he attended in Jefferson City, Mo.

The minister announced that Thanksgiving services, sponsored by the Quad-City Ministerial Association, will be held Sunday, Nov. 23, at Central Christian Church and the First United Presbyterian Church. Choirs from several area churches will sing at both services.

Mrs. Marie Gordon, CWP president, gave the opening prayer. Reports were submitted by Vanna Berkbigler, Lois Wolf, Margaret Rutter, Blanche Lane and Mrs. Parrish.

An invitation was received from the Hamilton Avenue Christian Church, St. Louis, to attend a service Friday and hear Mr. and Mrs. Eubanks, missionaries to Thailand.

Mrs. Loretta Durbin outlined future service projects, including items for layettes, to be brought to the December meeting, and blankets to be purchased and sent to Church World Service program. She added the CWP women will serve luncheon on Dec. 4 to the Ladies Coler.

An account of the CWP Assembly of Greater St. Louis was presented by Mrs. Parrish.

Bazaar Saturday at Trinity Methodist

Trinity United Methodist Church, East 45th and Henry streets, will sponsor its first Christmas bazaar and spaghetti dinner from 11:30 a.m. to 6:30 p.m. Saturday at the church, according to the pastor, the Rev. Ellis Dugger.

Booths will feature a variety of items, including home baked goods, needlework, candy, holiday gift articles, plants and plaques.

The spaghetti dinner will be served from 11:30 a.m. to 1 p.m. and from 4 p.m. to 6 p.m. Tickets, costing \$1.50 for adults and \$1 for youths, 12 to 18 years, will be available at the door, the

Rev. Dugger said. Children under 12 will be admitted free.

All proceeds will be used for church mission work and class projects, the minister advised.

MRS. THOMPSON VISITS RELATIVES IN TEXAS

Mrs. Malcolm Thompson, 4170 Breckenridge Lane, visited with her son-in-law and daughter, Mrs. and Mrs. Al Barcus and children, Kelly and Mike, at their home near Dallas, Tex., for three weeks. She returned home during the weekend.

Richies mark 50th year

The fiftieth wedding anniversary of Mr. and Mrs. Murrell Richie of Lisle, Ill., former Venice and Granite City residents, was celebrated during the weekend at a buffet dinner at the home of their son and daughter-in-law, Mr. and Mrs. Ed Richie of Naperville, Ill.

Friends and relatives from Colorado, California, Arkansas, Indiana, Missouri and Illinois attended the celebration, including Mrs. Joyce Gasparovic and son, Mark, Mrs. Lois Winter and son, Bill, Mr. and Mrs. Ray Potillo, Mrs. Shirley Lane and daughter, Kathleen, Misses Debbie and Cindy Everts and Mr. and Mrs. Sam Love, all of Granite City.

Former Granite Cityans attending were Professor and Mrs. Hilbert Fletcher of Denver, Colo., and Mr. and Mrs. Earl LaMar and Mr. and Mrs. Herb Miller of St. Louis.

Mr. and Mrs. Ed Richie were assisted in giving the dinner by their children, David, Diane and Dixie.

Mrs. Murrell Richie is the former Ora Holmes. Her sister, Mrs. Lucy Richie Lynch, also a former local resident, attended the 50th year observance with her husband, Stanley Lynch; they reside in Gassville, Ark.

Gray infant is christened

JoAnn Marie Gray, infant daughter of Mr. and Mrs. Jim Gray, 1646 Second St., Madison, was christened this week at St. Mark's Catholic Church in Venice.

The Rev. John O'Connell, pastor, officiated at the service. The godparents were Bob Fechte Jr. and Miss Elaine Bellie.

The child was born Oct. 23 at St. Elizabeth Hospital. She weighed seven pounds.

After the church service, Mr. and Mrs. Gray entertained relatives and friends at a buffet supper at their home.

Among the guests were the infant's paternal grandparents, Mr. and Mrs. Pete Gray of East St. Louis; and her maternal grandparents, Mr. and Mrs. Gus Scaturro of Venice.

Also present were the Rev. O'Connell, Mr. and Mrs. Tony Belue and Cheryl, Mr. and Mrs. Leo Scaturro and Dale, Mr. and Mrs. Bob Fechte Sr. and Danny, Mr. and Mrs. Don Scaturro and Donnie, Teresa and Carol, Mr. and Mrs. Leo Scaturro Jr. and Lisa and Jason, Mr. and Mrs. Ed Gray and Jeff, Joey and Kenny, Mr. and Mrs. Louis Scaturro and Tim, Tina and Terry, Mr. and Mrs. Paul Sittton and Steven and Kevin and Mr. and Mrs. Herb Wein and Denise.

New executive dean to focus on student needs

Recommendations by a committee to review student services and related administrative areas at Southern Illinois University at Edwardsville have been accepted, subject to review and comment by advisory groups in the University Senate and Student Government, President John S. Rendleman said Tuesday after a search has been launched for a chief officer of student affairs.

The president indicated the new officer will be called the executive dean of student affairs. The dean will report directly to the president and will be a member of the Academic Deans Conference. The executive dean's duties will include administration of student information and

referral systems; counseling and testing; student work and financial assistance; foreign student advisement; and placement; grievances and disputes that relate to non-academic matters; student programs and activities; and intercollegiate athletics, recreation, and intramural sports.

The president has appointed a search committee consisting of three faculty members and three student representatives to be designated by the presidents of three student groups—the Student Body, Black Students Association (BSA) and Tower Lake Area Council (TLAC).

The faculty members are Rudolph Wilson, instructor of education, chairman of the

committee; Darryl Enos, associate professor of business; and Carmen Deist Kerr, assistant to the director, Office of Student Work and Financial Assistance.

Presidents of the student groups are: Robin Roberts, Student Body; Ralph Collins, BSA; and Monica Olowski, TLAC. Their appointments of student representatives are to be made by Nov. 17 "with the advice and consent of their respective organizations."

The search committee has been asked to nominate three persons for the position of executive dean of student affairs no later than Jan. 5. Rendleman has requested the Student Affairs Council of the University Senate and the Student Government to comment on the review committee's report by Dec. 10.

Realignment in the student affairs area was part of a general administrative

reorganization announced by Dr. Rendleman in August. In connection with the ending of the office of vice-president for student affairs, the president appointed John Paul Davis, general counsel and executive assistant to the president, to chair a committee directed to review the functions of the office and a number of remaining administrative units.

Other members of the review committee are Andrew J. Kochman, vice-president, and provost; W. Deane Wiley, dean of the School of Education; Vaughnie J. Lindsay, dean of the Graduate School; Earl E. Larson, dean of the School of Science and Technology; and Robin Roberts, president of the Student Body.

Ramon N. Williamson, former vice-president for student affairs, announced plans Oct. 17 to begin an immediate sabbatical leave to prepare for a return to the music faculty as a

professor next year. Warren L. Brown, dean of students, has assumed Williamson's duties as chief administrative officer for the Student Affairs Division until a dean is appointed.

The president said that in accordance with other recommendations made by the review committee, the administrators of the SIUE Foundation, Alumni Services and University Archives, as well as the budget director, will continue reporting directly to the president.

He also announced that search efforts are continuing with respect to finding a qualified candidate for the new office of vice-president for administration.

The president also is reviewing recommendations from the vice-president and provost for realignment in the academic affairs area. He said no specific changes are contemplated until after Jan. 1.

According to Davis, the thrust of the review committee's recommendations was toward improving development of student services. He said that, during the course of its work, the committee received voluntary comments and expressions of both opinion and concern from many individual students.

Davis reported that the Student Body president presented the committee with student views known to him, and both Roberts and other review committee members brought several students before the committee to present viewpoints.

Davis said the committee concluded, on the basis of testimony received from students, that the executive dean of student affairs should make a thorough and critical analysis of the manner in which all student services are being administered.

Controversial Medicaid review board appointed

State Public Aid Director James L. Trainor on Monday announced appointment of a three-member Hospital Reimbursement Review Board that will be charged with reviewing the reasonableness of hospital and clinic rates charged to the state under the Medicaid program.

The members are Dr. Morton Charles Creditor of Champaign, James Chatz of Evanston and Robert Penn of Chicago.

Dr. Creditor received his medical degree from Columbia University. He is associate dean and professor of medicine at the University of Illinois School of Basic Medical Sciences, Urbana-Champaign.

Chatz is an attorney with the law firm of Chas. Sugarman and Abrams in Chicago. He received his law degree from Northwestern University, Penn. a certified public accountant, is financial consultant to the Missionary Sisters of the Sacred Heart and resides in Chicago.

Trainor said, "The board will review all state-paid hospital and clinic costs under criteria established by members of the board."

"The diversity of backgrounds they bring to this task will contribute to their ability to assess the reasonableness and necessity for the continuous escalation in hospital costs in this state since the inception of the Medicaid program."

"In spite of unwarranted accusations to the contrary," Trainor asserted "hospital payments are not being rolled back and across-the-board cuts will not be made."

"Each hospital and clinic will continue to receive the rate in effect on Oct. 6, 1975, until its individual cost reports are evaluated by the board under its rules and regulations."

"Only reasonable and necessary costs will be reimbursed by the state. The particular needs of communities, as well as the hospitals, will be given careful consideration. Responsible hospital management should welcome and cooperate in this effort to eliminate unreasonable, unnecessary and unjustifiable costs."

"The department must attempt to contain the skyrocketing costs that result from economic inefficiency and inadequate management controls. This will be the job of the board."

"This new program for reviewing costs will not adversely affect hospitals using efficient management to control costs for all patients. For those that are not, it should provide incentive for better management and cost control."

"This board and its functions should not be viewed as a threat, but as an opportunity to improve hospital management in order to provide more services with the limited dollars available."

Boda music to be played

The department of music at Southern Illinois University at Edwardsville will present "Music by John Boda" Friday at 8:15 p.m. in the Communications Building auditorium.

The program's entire sequence of musical presentations was composed by John Boda, professor of music at Florida State University and brother of the Rev. Dr. Samuel Boda, pastor of St. John's Lutheran Church, Granite City. "Overture 1962," performed by the University Symphony Orchestra under the direction of Robert Schieber, an SIUE music faculty member, will open the program.

The overture will be followed by "Sonata per Kelenyi (1973)," featuring Dr. John Boda as pianist.

"Trio for Violin, Cello and Piano" will be performed by Kent Perry, an SIUE music faculty member. Dr. Boda as the pianist, and Joseph Pival, cellist, also an SIUE music faculty member.

The Symphonic Band, conducted by SIUE music faculty member Allen McMurray, will conclude the evening's performance with "Band Ballet No. 1" and "Sinfonia for Band 1972," the latter conducted by the composer.

Director of musical arts at Florida State in Tallahassee, he formerly was with Conductor George Szell's Cleveland Orchestra, where he served as apprentice conductor.

THEFT FROM TRUCK
Doris Roby, 2333 Rock Road, reported items worth \$535 were stolen from the bed of a pickup truck parked in her driveway during the weekend. Articles taken included battery cables, an Army foot locker with assorted tools and an aluminum utility shed, which was still in boxes.

Exercise

building and noted, "That sign alone cost me \$6,000."

"The most expensive massage parlors in the St. Louis area cost less than our sign," Shafer noted.

He explained the Spartan club presently has about 2,000 members and is, he believes, the highest private club in the St. Louis metropolitan area.

"It also is the best equipped club in the Midwest, including Chicago," he said, adding, "We have more exercise equipment on the men's side than in the nearest five YMCAs put together."

"We have more equipment on the women's side than all the Quad-City, Wood River and Alton high schools and Southern Illinois University at Edwardsville, put together," he said.

He said information he has obtained indicates the club here, when completed, will have more exercise equipment than all of the health clubs and spas in Illinois and Missouri combined, and that includes about 40 in Chicago and 30 in Kansas City, Mo.

The spacious, well lighted new spa on Route 111 is rapidly nearing completion with Bob Cavan in charge of the construction. A union carpenter, he is employed by the health spa full-time.

Offerings, besides the men's and women's exercise rooms will include large dressing rooms and showers, a sauna, a steam bath, a medicated vapors room, half-mile and quarter-mile outdoor jogging tracks, the latest in exercise equipment, including a new \$4,000 heavy-duty chromed universal exerciser machine, and many other offerings.

To be added shortly after opening will be outdoor tennis courts, a game preserve, a picnic and park area and other attractions.

The third phase of work is to include an addition to the rear of the building containing an indoor swimming pool, a whirlpool and other facilities. An Olympic-sized outdoor pool also is being planned for the future, as well as outdoor handball courts and other outdoor facilities, including a stocked fishing lake and two smaller lakes.

Paddleball and racket courts also are being planned, Shafer said. He added that the plans are to make the new health club the fastest growing spa in the Midwest.

He noted that as a member of the International Physical Fitness Association, Spartan Health Spa is affiliated with more than 800 clubs from coast-to-coast who will honor a membership here when a member is traveling.

Shafer emphasized that the emergence of massage parlors under the name of health spas or health clubs has caused business to decline among legitimate health clubs and hopes people who have questions about his operations will visit or call him to clarify the issue in their own minds.

"We are tired of having our girls propositioned, illicit telephone calls, drunks staggering in and asking for a massage and many other problems which have developed since massage parlors started moving into this area."

"We are offering a legitimate body-building and shaping operation here and had no problems before the opening of a massage parlor in the area."

"We are proud that we are going to be able soon to offer people in this area one of the finest health clubs in the nation and hope the people will accept us, despite the growing trend to blacken the name spa," Shafer concluded.

GRANITE CITY PRESS-RECORD

Thurs., Nov. 13, 1975 Page 18

Taxicab

(Continued from Page 1)

contended, "because they know it is saving them a wait of maybe a half hour or more for a cab."

"I have nine cabs. How in the world can I serve communities with about 50,000 people with nine cabs if I have to run each one separately? It would be impractical to do that."

"We try to run every cab in a circle and to pick up everyone along the way who needs a ride. That avoids a lot of delay," Richards said.

He admitted he receives double or triple fares when two or three persons picked up at separate locations are in the taxicab, but said that without such extra money, the business could not make financial ends meet.

He cited rising insurance, gasoline and maintenance costs while the fares remain fixed by the governments of the cities served.

Granite City Ordinance 20, section 17.2010, Illinois Municipal Code, states, "No person shall be admitted to a taxicab occupied by a passenger without the consent of the first passenger."

It also stipulates that, the driver shall take the passenger to his destination by "the most direct available route from the place where the passenger entered the cab."

Critics describe conditions as being far less tolerable than pictured by the taxi company.

They say the ordinance is constantly violated, with cab drivers altering their routes based on radio-ordered calls. Drivers allegedly ignore the pleas of individuals seeking to arrive at their destination at a specified time to keep appointments.

Passengers are crowded together without regard to differing attitudes on drinking, language and conduct, it is contended.

Many non-drivers and elderly are irritated at the treatment received but "suffer in silence" because they have no alternative and do not want to be boycotted when they need taxi service in the future, the Press-Record has been told.

Financial charges to customers are substantial even for minimum distances, critics say.

Their main contention is that the law specifying single passengers or groups either ought to be enforced or changed, but instead the rules are left intact and then ignored.

A related criticism is that lengthy delays are common, even when calls are made well in advance, and that waits often occur only because a dispatcher is "marking time" until a trip can be made more profitable through combining several pickup requests.

Distribute taxes

The State of Illinois, Department of Revenue, has remitted \$80,736 to Madison County from the County Retailers', Use and Service Occupation Tax, and \$1,948 from the County Use Tax.

Total collections for the county during August were \$89,526 in sales tax and \$2,030 for the County Use Tax, but 2 percent was deducted from the former and 4 percent from the latter for the state's cost of administration.

McCambridge

(Continued from Page 1)

responsibility and lights in unincorporated areas are the responsibility of the school district.

Later, Sasyk confronted the board with Briggs' pledge to reimburse the money. Board members continued to say they felt it would be illegal for the township to pay the cost and Sasyk ordered the crossing lights turned off.

When Nameoki Township Highway Commissioner Albert Bell agreed to repair holes in Farish Street in East Madison—as a token sign of cooperation between the township and the city—Sasyk had the lights turned back on, but continued to demand that the township live up to Briggs' commitment. The question of who is responsible for Farish Street has remained

another point of disagreement.

Although Bell, on the advice of his attorney, has refused to release highway funds for the payment, the Town Board has been searching for ways to pay the cost through other funds.

Monday night, Auditor Norman Hessler, chairman of the township's Finance Committee, presented a letter to the board which they approved for sending to Sasyk.

The letter promises to pay half the cost of installing the lights, but not the cost of maintenance.

In the letter, the town board apologizes for the delay in making the reimbursement due to "our ignorance of a prior board's illegal commitment."

It asks that Sasyk send a copy of the installation bill to the township so that half of the cost can be sent to the city. The

township's share is expected to be about \$6,791. The letter did not note what fund would be used for the payment.

It was noted at the meeting that Madison has received unofficial notification from the state that the state highway department will pay the cost of maintaining the crossing lights.

In other business Monday night, a letter was read from Illinois Power Co. notifying the board that the new addition to the Nameoki Town Hall was inadvertently constructed over the natural gas main serving the original portion of the building.

The letter notes that it is unsafe to have a building over a gas main and that it will cost about \$165 to relocate the main.

The board ordered copies of the letter sent to its attorney and architect to determine who

is responsible for the error and who should pay the cost of relocating the main.

Supervisor Louis Whitsell presented a letter he wrote to the Illinois Division of Water Resources, offering the township as a local sponsor if the state should wish to undertake a project of landscaping for better drainage from the Dobrey Slough area into the new Dobrey Slough pump station.

He also said if the state would agree to do the drainage work, it could bill the township for the cost, since Dobrey Slough is a health hazard and the town Board of Health is authorized to expend funds to remove health hazards.

A letter from Pat Quinn, head of the Coalition for Political Honesty, was read, requesting the township to seek signatures

on a petition to place several amendments to the state constitution on the November 1976 ballot.

The proposed amendments concern honesty in government and paying elected officials after they have completed their work, rather than paying in advance of the services, Quinn explained.

He noted 375,000 signatures are needed in the state by May 2 to have the proposed amendments put on the ballot. A copy of the petition is available at the township office.

Auditor Kenneth Gieson noted that Nameoki Township was praised at the Illinois Township Officials' Association convention in Springfield for using its own township collector to collect taxes. The township has received its taxes much faster than townships not using their

local collectors, it was noted. Chouteau and Venice township collectors also collected taxes locally this year.

Whitsell was complimented for his efforts in ordering men available under the county's Manpower grant to clean up property located north of the Route 111 viaduct.

A question was raised from the audience regarding a suit to force a heating contractor to move his business from a residential district and the board requested its attorney to determine why there have been so many delays in a court hearing on this issue.

Bills ordered paid included \$3,768 from the town fund, \$2,264 from general assistance, \$1,289 from the revenue sharing fund, \$3,440 from the road and bridge fund and \$2,135 from the special hard road fund.

Democrats prepare to screen 1976 candidates

A Screening Committee to interview potential Democratic candidates in next year's primary elections was appointed Monday by the executive board of the Madison County Democratic Central Committee in a meeting at Charlie's Restaurant.

Nelson Hagnauer, chairman of the county committee, presided over the executive board session in which it was agreed that township and district chairmen, along with Hagnauer, the committee's secretary and the state central

committee would make up the Screening Committee. Primary elections will be held March 16 to nominate Democratic and Republican candidates for county, district and state offices.

After interviewing candidates, the Screening Committee will report its recommendations to the executive board.

Potential Democratic candidates who desire to appear before the Screening Committee may send a letter of request to the chairman,

Madison County Democratic Committee, 2708 Saratoga, Granite City. The letter should include a statement as to the office sought together with an outline of the individual's educational, family and experience background, Hagnauer said.

As soon as possible after receipt of the letter, the county Democratic organization will advise the individual, either by phone or by mail as to the date and time to appear for an interview before the committee.

Interviews of candidates will

Open House tonight at Mitchell School

Open House will be observed at Mitchell School from 7:30 to 8:30 tonight, followed by refreshments in the school gym, according to Arthur Menendez, school principal.

Menendez said a book fair opened yesterday in the school library and will continue through Friday.

A ballot box will be placed in the gym for parents to vote on specific plans for a school picnic in the spring, the principal added.

be conducted by the Screening Committee Nov. 28, beginning at 7 p.m. and Nov. 29, beginning at 10 a.m. at Holiday Inn, Edwardsville.

Veterans, present servicemen praised

Cong. Melvin Price (Dem., 23rd Ill.) paid tribute to American servicemen in a letter prepared for Veterans' Day celebrations in the local region.

"We should be justly proud of our men and women who serve in the nation's armed forces," Cong. Price said.

"They are well-trained and well-equipped, of course. But this is true of any viable military force in the modern world."

"What sets the American military apart from and above others is its total dedication to the preservation of our

democratic ideals and way of life."

"My personal experience has shown me that the American servicemen personifies all this nation stands for. As an enlisted man in World War II I saw this dedication first-hand."

"Now, as chairman of the House Armed Services Committee, I carry with me those standards of military excellence I learned over 30 years ago."

"And I can see a determination not to let those standards fall or to stagnate, but to go higher—in keeping with the more prominent place

GRANITE CITY PRESS-RECORD

Thurs., Nov. 13, 1975 Page 19

held by the nation as a world power."

Rep. Price also addressed himself to the problems of today's veterans.

"In the eleventh hour of the eleventh day of the eleventh month, 1918, leaders of our country joined our European allies in signing an armistice to end the most terrible holocaust seen by man to that time."

"The fighting was over; it was 'the war to end all wars,' the fight which when ended would make this world one 'in which heroes were fit to live.'"

"I need not remind you that since that day our nation has called for the sacrifice of her young men three more times. And yet the question remains: Is this world yet a fit one for heroes to return to?"

"Unemployment, inflation, the energy crisis; this was the welcome received by our veterans returning home from the conflict in Vietnam—and

these problems continue to plague those who laid their lives on the line for this country," Cong. Price said.

"Our veterans deserve better than this, and our country and its leaders must pledge their best efforts to giving assistance to these men and women who helped us so much when we asked."

"Each year, ceremonies are held at the Tomb of the Unknown Soldier. But not all the unknown soldiers are dead. They live in our neighborhood, perhaps next door. They are our friends and relatives who have served their country well in war and peace and returned without fanfare to pick up their lives."

"Our debt to these veterans can never be repaid. But our actions can show our appreciation of such devotion and dedication," Rep. Price concluded. "We must make the attempt."

Heritage in Religion program

"Our Heritage in Religion," an account emphasizing the religious philosophies of many of the founding fathers, was the topic of a devotional program presented last week at the Afternoon Guild meeting at St. Peter Evangelical United Church of Christ.

Forty-three women gathered in the Fellowship Hall, where a dessert luncheon was served preceding the meeting.

Mrs. Eartha Johnson introduced the program and Mrs. Paulette Mueller gave the devotional presentation.

In the business session, conducted by Mrs. Arline Brinkmeyer, president, the invitation was accepted to at-

tend a Christmas meeting of the Evening Guild on Dec. 1.

Plans were made for the guild's annual Christmas luncheon, which will take place Thursday, Dec. 4.

Mrs. Brinkmeyer closed the session by reading Abraham Lincoln's 1863 Thanksgiving Proclamation.

Barracks 34 to host parties

Madison Barracks 34 and Auxiliary, Veterans of World War I, met at the VFW Hall last week for a noon luncheon and meeting to plan holiday events.

Separate sessions were conducted by Commander John Winklemore and Auxiliary President Tecla Hoelt.

Auxiliary members agreed to send a \$25 donation to the Jefferson Barracks Hospital for a Yuletide party and to also host a party for veterans at the Alton State Hospital on Dec. 4.

Mrs. Hoelt announced the organization's Christmas party is set for Dec. 2, beginning with a potluck dinner. The meal dish will be furnished by the barracks and auxiliary and members were asked to bring covered dish items.

During the social hour, there will be games and gifts, provided by each member, will serve as prizes, Mrs. Hoelt explained.

Federal Retirees elect officers

The Federal Retirees, Chapter 1067, met at the Granite City Army Installation Officers Club for a 12:30 luncheon Monday and elected officers for the 1976 year.

Those who will be installed at the December meeting are Edward Erney, president; Millie Butler, first vice president; Martha Meier, second vice president; Helen Carrington, secretary and Helen Martin, treasurer.

Mr. Erney was in charge of the session, and announced the next meeting will be at 1 p.m. on Dec. 8 at the Officers Club.

Legislative Chairman Walter Franklin spoke on pending tax reforms for federal retirees and those who receive social security benefits.

Mrs. Erma Graves won the afternoon prize.

4-H DANCE TOMORROW

The Madison County 4-H Leaders Forum will give a benefit dance Friday at 8:30 p.m. in Alhambra at the Fireman and Legion Park. Music will be by the Twilights. Tickets available at the door are \$3 per person. Proceeds will be used to further the 4-H program in the county.

W. J. Brennan dies at 82

William Joseph Brennan, 82, of Rural Route 28, Edwardsville, a brother of Quad-City residents, died Tuesday at St. Elizabeth Hospital.

He was a retired employee of the U.S. Post Office and a World War I Navy veteran.

Survivors include a son, James of Edwardsville; three brothers, Leo of Madison, Elmer of Granite City and Howard of Collinsville, and one sister, Anna Brennan of Madison.

Funeral services will be held at 9 a.m. Friday at Our Mother of Perpetual Help Catholic Church, Maryville from a Troy, Ill., funeral home. The Rosary will be recited at 8 p.m. today.

Telephone

(Continued from Page 1)

took much longer where the wires had been separated.

The Mitchell Fire Department, which has nine telephones on its dispatching system, found all of its phones were out of service and asked the Pontoon Beach Police Department to handle its calls and dispatch firemen.

There were no fires during the period the phones were out of service.

During the repair work, the Mitchell Fire Department's siren, which is controlled by the telephone, sounded several times, but not due to fires.

The area affected by the telephone blackout, according to phone company officials, was roughly from the break north of Old Route 66 and east along that line about one-fourth mile, west to the Wabash Railroad interchange near Namek Road and south to near the break.

Kenneth L. Evers, manager of the Granite City office of Illinois Bell, said Tuesday's cable cutting serves as a good example why the telephone company's request, "Call the phone company before you dig," should be followed.

Cold strip at standstill

Operations in the Cold Strip Department at Granite City Steel are at a standstill until repair work is completed on a 12,000-horsepower motor-generator which drives the cold mill.

About 100 men have been laid off temporarily due to the shutdown.

A power failure in a circuit breaker during a heavy rainstorm last week first caused the Cold Strip to suspend most of its operations for repair.

Subsequent mechanical failure in the generator, which drives the motor units on the cold mill, resulted in the present department-wide closing.

Operations in the Cold Strip are expected to be resumed about Nov. 26, a plant spokesman said. The shutdown directly affects cold mill and pickle line personnel.

Curtailment to some extent may be felt in other departments at Granite City Steel, but the Cold Strip shutdown is not expected to have any great impact on overall plant-wide operations, it was learned.

Some coils from the local plant are being shipped to Midwest Steel in Portage, Ind., for processing and returned to the Granite City Steel for finishing, the spokesman said.

Man cut, treated at hospital

Brian Grobowski, 19, of 2122 Lee Ave., suffered a knife wound to his right thigh when he was assaulted by a man at 25th Street and Washington Avenue Tuesday night.

When the victim said he did, the assailant displayed a switchblade knife and tried to stab him in the stomach, "Grobowski related. He said he jumped backward and the knife struck his thigh.

He said the man with the knife named the man he had asked about, saying "This is for (the man's name)," as he tried to stab him in the stomach. The assailant then left in the auto.

Grobowski was taken to St. Elizabeth Hospital where sutures were administered to close a two-inch cut and he was released.

SUIT BY RAIL WORKER Rodney D. Tucker has filed suit in Madison County Circuit Court seeking \$250,000 from the Norfolk and Western Railway.

He alleges that he was injured Aug. 7 while working as a maintenance-of-way worker for the railroad.

Woman teacher to coach boys tennis team

Miss Paula Domino, an art teacher at Madison High School, was hired during a special meeting Wednesday evening of the Madison School Board, as tennis coach for the boys' team.

Other personnel hired were Billy Campbell, a MHS math teacher, as baseball coach, and John Paskus, a physical education teacher at MHS, as Campbell's assistant.

George Tyus, special education teacher, was hired as assistant boys' track coach.

One MHS student was expelled for the rest of the school year as he did not appear for a hearing with his parents.

Also honored along with the division chairmen and other drive participants was Mrs. Norma Mendoza, publicity chairman.

Fox said many of the agencies' services are well known to potential contributors but that some of the organizations should expand their efforts to make citizens aware of the diverse and comprehensive nature of their services.

He added, "At the beginning of the drive, due to the economic situation, we forecast problems in the industrial, construction, business and commercial divisions. But, in spite of reduced production, layoffs and strikes, corporations and employees responded enthusiastically."

Since \$443,000 was distributed a year ago and the needs remain substantial, Fox voiced hope that receipts may reach about \$445,000 within the next week, prior to the decisions on distribution.

T. "Pete" Nasir, whose service as executive director includes the three successful campaigns, was applauded along with members of the United Way staff.

Fire destroys

Chouteau home

Fire destroyed the interior of a five-room frame house on Chouteau Island at 2 p.m. Wednesday, believed caused by John Dody, Rural Route One, Box 1255.

Mitchell firemen were at the scene for two hours and called for assistance from the Long Lake Fire Department. The assistance was needed to provide additional water.

No estimate of the damage was made. Fire Department officials believe the fire spread from a fire in the living room fireplace.

Boys Town youth erect pet center

A small redwood cabin was erected this morning in the Nameoki Village Shopping Center by a group of youths from Boys Town of Missouri. The wooden building, constructed with a floor and a "thatched" roof, eventually will serve as a pet adoption center for the Quad-City Association for

Protection of Animals (APA). Mrs. Penny Snyder, APA adoption center chairman, said the youths at Boys Town volunteered to construct the shelter and labor and time to the project. The APA purchased the building materials.

The 6-x-10-foot structure was

transported here in sections via truck from the St. James, Mo. facility this morning and erected in the "L"-shaped area between the front entrance of Green Drugs, 2 Nameoki Village, and The Fabric Store, 5 Nameoki Village.

"Not only are we grateful to the young men of Boys Town and their director, Mr. Dunn, for their help with this project, but we owe a great deal to Mr. James Henderson of Luaders Agency, who arranged with the Nameoki Village Shopping Center merchants to place a permanent adoption shelter in the village area," Mrs. Snyder said today.

The local humane group has held its monthly adoption clinics at the "Original" Granite City Flea Market, 3675 Nameoki Road, and will continue to hold them at that location until insurance, leasing and other aspects in connection with the new shelter have been settled, Mrs. Snyder said.

Several months ago, Larry Greenberg, owner-operator of the Granite City Flea Market, Inc., offered the animal brotion group space in his building after hearing the APA's previous adoption shelter near the Grant City store could no longer be used. The 8-foot-tall cabin will hold about 15 animal cages, Mrs. Snyder said. She noted that a portable heater will be used to heat the interior. "But, we still have some planning to do in this regard," she added.

The APA is a non-profit organization funded solely with public donations, personal contributions by members and nominal fees asked of those adopting a pet. Permanent facilities to house the animals are provided by the Granite City Army Installation.

Missing hunter found in river

The partially decomposed body of Michael Hoette, 29, of Hazelwood, Mo., one of two men missing since last Thursday, was found at 9:55 a.m. Wednesday one-half mile south of McKinley Bridge in Venice, floating near one of the Union Electric pillars.

Deputy Coroner Robert Thomas, called to the scene by police, pronounced Hoette dead at 10:55 a.m.

Mr. Hoette and Allen R. Wright of Jennings, Mo., still missing, reportedly rented a boat for a trip to Pelican Island in the Missouri River, near the Carrico Road in North St. Louis County. The pair had not

been seen since they left. Venice police received a telephone call from the U.S. Coast Guard at 10:30 a.m. yesterday.

The Coast Guard advised Venice authorities they had received a report from the tow boat "Persenger" at 9:55 a.m. about the floating body.

Venice officers were unable to determine if any violence was involved.

It is believed by authorities he drowned. The body was taken to Bob Thomas Memorial Mortuary in Granite City, where it was identified by his driver's license. Mr. Hoette's father later made a positive identification from a tattoo on Hoette's right arm.

The body was taken to a Florissant, Mo., funeral home last night.

2 cars stolen

Two vehicles were reported stolen from Granite City Tuesday afternoon by their owners, Norman Stawar, 1648 Fourth St., Madison, and Eugene Carey, 2241 Benton St. Carey reported at 1:35 p.m. Tuesday that his 1974 gold Chevrolet half-ton pickup truck had been stolen from his home. It has magnesium wheels, a citizens' band radio inside and a whip antenna behind the cab, he said.

Stawar reported at 5:20 p.m. Tuesday that his 1968 blue vinyl over blue Oldsmobile Cutlass Supreme two-door hardtop auto had been taken from the parking lot of Crossroads Plaza Shopping Center, near the Illinois Bell Telephone Co. office.

MAN GRABS PURSE Pauline Hux, 4008 Kirkpatrick Homes, reported at 11:50 p.m. Tuesday that while she was walking in the 2500 block of Nameoki Road, a man about 25 grabbed her purse and ran behind a liquor store. The purse contained about \$25 cash and about \$95 in food stamps, she said.

CHASE 3 FROM TRUCK Harry Logan, 3440 Lydia Lane, reported chasing three youths, aged about 16 or 17, from his pickup truck at his home at 7:30 p.m. Tuesday. A tool box taken from the floorboard of the cab was found by Logan at Lydia Lane and Clark Avenue.

INTRUDERS USE HOME Linda Warren, 3408 Kirkpatrick Homes, reported that while she was in a hospital between Oct. 29 and Wednesday, several people apparently used her home, slept in the beds and ate food from the kitchen. A pane of glass in the rear door had been removed to gain entry. Another window was broken and screens in the front and rear screen doors were cut.

McKinley bridge traffic up

By WALTER STRANGE
Press-Record Staff Writer

Traffic on the McKinley Bridge in Venice has increased by 50 vehicles a day due largely to increased truck traffic from the piggy-back yard of the Illinois Central Gulf Railroad yard south of the bridge on Main street.

Bridge Manager Duane S. Georgeff reported to the City Council Tuesday night that during October a total of 224,230 vehicles crossed the bridge, a daily average of 7,233.

Georgeff also reported that despite no parking signs beneath the bridge on the Missouri side, employees of factories in the area are parking under the bridge and a couple private autos have painted on them from the bridge repairs. The owners are asking the city to pay for repainting

their autos.

Mayor William M. Ebersold instructed the bridge manager to send letters to the personnel departments of factories and business establishments near the bridge informing them that parking under the bridge and alongside the bridge is not permitted.

The mayor said, "We will try being nice at first, but take legal steps, or whatever, to stop this practice. We can't afford to be paying any bills for cars that aren't supposed to be there in the first place."

The council approved a payment to the G. H. Sternberg company of \$10,919 for demolition work.

"The buildings are down and it sure makes Venice a nicer-looking city. We have been working on this several years and I am glad it finally has been

accomplished," Mayor Ebersold said.

The city demolition program resulted in 19 structures being razed.

Second Ward Alderman Hank A. Svezia asked the mayor about the noise from the

switching yard. It seems to be louder than ever," Svezia said.

Ebersold replied, "We'll have to check with Tom Fields on that. I know they are building sound retarders."

Gregory Zak, sound specialist with the Illinois Environmental

Protection Agency (IEPA) reported to Fields that two experimental sound retarders already have been built and the remaining six to eight retarders will be finished by April 1, 1976.

Preliminary testing by IEPA indicates that when the project is finished the sound should be reduced by 90 per cent.

Mayor Ebersold reported that a meeting will be held Saturday at the Madison County

Firemen's Association building at 8510 Collinsville Road near Collinsville. Ebersold said it was important that all alderman attend, as the meeting will involve the fate of Federal Revenue Sharing funds which all cities now receive.

In other action the council approved the expenditure of \$150 for a Thanksgiving dinner for senior citizens, a Bankers Life Insurance Co. plan for city

employees to become effective Dec. 1 and approved a treasurer's report for October which showed a general fund balance of \$104,402, receipts of \$178,898 and disbursements of \$161,742.

A discussion on the distribution of Christmas baskets and treats for children was tabled until a later meeting.

The council accepted the

annual audit from Kemper, Fisher, Faust and Lawrence, certified public accountants, of the Revenue Sharing Funds and the city's regular accounts through April 30.

The report, which may be examined by the public at the Comptroller's office, said that all accounts conform with accepted accounting principles and present fairly the cash position of all funds.

Kirchoff joins TV 30 staff

Kiril Kirchoff has been appointed an account executive for KDNL-TV 30, St. Louis, according to an announcement by B. Thomas Koon Jr., general sales manager. Kirchoff will be involved in the total sales effort of the station, owned and operated by Evans Broadcasting Corp.

He goes to KDNL-TV after 15 years with KPLR-TV, St. Louis, where he served as local sales manager. Prior to that time he was employed by A. S. Aloe and Co., St. Louis.

A graduate of Westminster College, Fulton, Mo., with a bachelor of science degree, Kirchoff is a member of the East-West Gateway Coordinating Council forum, the board of governors of the St. Louis Chapter-National Academy of Television Arts and Sciences, and the board of directors of the Granite City Trust and Savings Bank.

He is a member of the Sunset Hills Cemetery board of trustees, past president of the Granite City High School South Band Parents' Association, past president of the Macedonian Patriotic Organization and a member of Sigma Alpha Epsilon fraternity.

He resides with his wife, Margaret, in Granite City. They have one daughter, Victoria, currently studying at Northwestern University.

KIRIL KIRCHOFF

Sarich to present Yugoslavian music

Mark Sarich, 2559 Waterman Ave., a 1972 graduate of Granite City High School and a senior majoring in music composition at the University of Illinois, will present a concert of Yugoslavian music Sunday at 4 p.m.

The program will be presented in the Music building auditorium at the U. of I. in Champaign, Ill.

Members of the Illini International Folk Dancers from the Music School will perform native dances.

The Jakovac Tamburiza Orchestra will play folk instruments and sing in the vocal style of the Balkans.

St. Gregory fund-raising party

Plans were finalized Tuesday for a "Las Vegas Night" party to help raise funds to build a new church and community center for St. Gregory the Illuminator Armenian Apostolic Church.

The social event will take place at 8 p.m. Saturday at Holy Trinity Hall, 1245 Madison Ave.

Madison. The public is invited to attend.

Tickets, costing \$2 each, may be obtained in advance at St. Gregory's Church, 1725 Maple St.; the ARF Club, 700 Niedringhaus Ave.; or by calling Mrs. Rose Torosian, at 877-533. They also may be purchased at the door Saturday.

The party night program is being sponsored by the Armenian Community Center, a group affiliated with St. Gregory's Church Building Fund Committee.

Michael Hagopian, chairman, presided at Tuesday evening's meeting. In attendance was Attorney Caspar S. Nighoghossian, community center legal counsel, who discussed provisions for the

issuance of a not-for-profit state charter to the organization.

Patrons will be treated to Armenian food at "Las Vegas Night" and a television will be auctioned as a special project, according to Edward Asadorian and Mrs. Torosian, co-chairmen.

St. Gregory Church members have acquired a five-acre tract of land near West Pontotoc Road, on which plans call for a

new church building and community center to be constructed.

Pastor of the church is the Rev. Khoren Habeshian.

GARY STANERKS ANNOUNCE BIRTH OF FIRST CHILD

Mr. and Mrs. Gary (Sandra) Stanek, Rural Route Two, Granite City, are announcing the birth of their first child, a daughter, on Nov. 7 at St. Joseph Hospital, Alton.

The infant has been named Faith Lynn.

Grandparents are Mr. and Mrs. Lawrence Line and Mr. and Mrs. Adolph Stanek, all of Granite City.

Evaluation clinic for children here Nov. 25

The Granite City Elks Lodge, in cooperation with the Illinois Elks Association Physically Handicapped Children's Commission, will sponsor a free children's evaluation clinic on Tuesday, Nov. 25, from 12 noon to 3 p.m. at the local Elks building, 1320 Niedringhaus Ave.

Purpose of the clinic is to identify any remediable physical problems, in order to refer these children to physicians for appropriate services. Dr. Tykowski, or thopedic doctor from the University of Illinois Hospital in Chicago, will be in charge of the Elks-sponsored clinic.

Any family with a child from newborn to age 21 and knowledge of any physical problem is encouraged to bring

the child for evaluation.

School nurses are being urged to refer any eligible child that they have contact with in their areas.

Children must be accompanied by a parent or guardian. Free transportation is provided to and from the clinic for those who are without it by phoning 876-0330.

Elks of Illinois are sponsoring clinics in 28 lodge areas, with 84 clinics held each year.

The clinics were started 48 years ago and have provided medical and surgical care, prostheses and physical therapy during most of this period.

There is no charge for evaluation services rendered at the clinic, provided the child lives in Illinois or this metropolitan area.

Mrs. Mable Bradley succumbs

Mrs. Mable G. Bradley, 73, of 2525 Grand Ave., a Granite City resident since 1934, died at 4 a.m. Wednesday at Colonial Haven Nursing Home.

She had been ill six weeks.

Mrs. Bradley was born in Bloomington, Ill., and during her residence here was a member of the First Baptist Church.

Her husband, John Bradley, died in 1965.

Survivors include a son, Richard Bradley of Hillsboro, Mo.; one daughter, Mrs. Clifford (Ruth) Bell of Granite City; one sister, Mrs. James (Ruth) Moore of Tucson, Ariz.; a brother, William Sorrells of Willow Springs, Mo., and six grandchildren.

Funeral arrangements are given in the obituary column.

Joseph Lesko dies at 58

Joseph J. Lesko, 58, of 1109 Meridian Ave., a lifelong resident of the Quad-Cities, was pronounced dead at home at 10:30 a.m. Tuesday by Edward Werner, Madison County county coroner.

Mrs. Lesko was found by his sister who called the authorities. There will be an inquiry to determine the cause of death.

He had owned and operated several taverns in the area for 21 years.

Mrs. Lesko was a member of St. Mary's Catholic Church. He served with the U. S. Navy from 1939 until Dec. 6, 1945.

Survivors include his mother, Mrs. Mary Lesko of Madison; four sisters, Mrs. Carl (Anna) Rypan of Madison, Mrs. Frank (Mary) Parizon of Granite City, Mrs. Paul (Elizabeth) Teller of St. Petersburg, Fla., and Mrs. Frank (Helen) Lack of Chicago; and three brothers, John, Michael and Albert Lesko, all of Granite City.

His father, Mike Lesko, died Aug. 11 this year.

Funeral arrangements are given in the obituary column.

C. E. Pennell dies at age 73

Clarence E. Pennell, 73, of Venedy, Ill., grandfather of Ronald Pennell, speech teacher at Granite City High School, died at 7:30 a.m. Tuesday at a Belleville nursing home.

Mr. Pennell resided in East St. Louis until he retired four years ago and moved to Venedy. He was employed as a carpenter.

Other survivors include his wife, Mrs. Bertha Pennell; one daughter, Mrs. Anthony Zika of Belleville; three granddaughters and three great-granddaughters.

Funeral arrangements are given in the obituary column.

Mrs. Hengehold dies at 64

Mrs. Loretta C. Hengehold, 64, of Edwardsville, wife of Lawrence Hengehold, a retired employee of the Granite City Army Installation, died at 12:35 p.m. Wednesday at St. Elizabeth Hospital.

She was born in Cincinnati, Ohio.

Mrs. Hengehold was a member of St. Boniface Catholic Church, Edwardsville. Other than her husband, survivors include five sons, Lawrence J. Hengehold of Carbondale, Robert W., Kenneth J. and Jerome A. Hengehold, all of Edwardsville, and William G. Hengehold of St. Louis; one daughter, Mrs. Dennis (Mary) Wood of Edwardsville; two brothers, Paul Jansing of Cincinnati and Jerome Jansing of Indianapolis, Ind., and 12 grandchildren.

Funeral arrangements are given in the obituary column.

J. T. Johnson, 91, dies

Joseph T. Johnson, 91, of 2855 E. 25th St., died at 4:25 p.m. Tuesday at St. Elizabeth Hospital, where he had been a patient one week. He had been ill three months.

Born in Watcher, Iowa, he resided in this area 43 years. Mr. Johnson was employed as a waiter at the Mayfair Hotel in St. Louis when he retired in 1901.

He was a member of the First Christian Church and belonged to VFW Post 1300. He was a lifetime member of the Loyal Order of the Moose and the Royal Neighbors.

Survivors include his wife, Mrs. Katharina Johnson; two sons, William R. and Earl T. Johnson, both of Granite City; a brother, Walter Johnson; and sister, Mrs. Kathryn Miles, both of Peoria; five grandchildren and four great-grandchildren.

Funeral arrangements are given in the obituary column.

Public Notice

IN THE UNITED STATES DISTRICT COURT for the Southern District of Illinois, Advance Mortgage Adjudication, Plaintiff, vs. Patricia J. Hofstad Defendants, Case No. P-CIV-75-93.

PUBLICATION NOTICE

The requisite affidavit of non-residence having been filed, notice is hereby given you, Patricia J. Hofstad, and Unknown Owners, defendants, in the above entitled suit, that the said suit has been commenced in the United States District Court for the Southern District of Illinois in Springfield, Illinois, by the Plaintiff against you and other defendants, for the foreclosure of a certain mortgage made by Patricia J. Hofstad to Nations Homes Acceptance Corp. as Mortgagee conveying the following described property and premises to wit:

Lot 32 in Lexington Subdivision, a subdivision located in the North-East of Section 16, Township 3 North, Range 9 West of the Third Principal Meridian, according to the plat thereof recorded in the Recorder's Office of Madison County, Illinois in Plat Book 41 page 18. Situated in the County of Madison State of Illinois; commonly known as 4 Lexington Ct., Granite City, Illinois; and which said mortgage was recorded in the office of the Recorder of Deeds in Madison County, Illinois as document number 188-3003 and for further relief, that summons was duly issued out of the said Court against you as provided by law and that the said suit is still pending.

ORDER
THIS MATTER coming to be heard on the motion of the Plaintiff for an Order directing the Defendants, Patricia J. Hofstad and UNKNOWN OWNERS, to appear and file their Answer or otherwise plead to the Complaint to Foreclose Mortgage heretofore filed in this matter and it appearing that an Affidavit of Non-Residence and a Petition for Order of Publication having been filed herein, and the Court being fully advised in the premises,
IT IS HEREBY ORDERED that Defendants herein, Patricia J. Hofstad and UNKNOWN OWNERS, file their answers or otherwise plead to the Complaint to Foreclose Mortgage heretofore filed in this matter and it appearing that an Affidavit of Non-Residence and a Petition for Order of Publication having been filed herein, and the Court being fully advised in the premises,
IT IS FURTHER ORDERED that notice of this Order be published in the Granite City Press-Record, once a week for six (6) consecutive weeks.

ENTER: Judge Robert Morgan
DATED: October 30, 1975
Now, therefore, unless you the said Defendants, file in answer to the complaint in the said suit or otherwise make your appearance therein, in the Office of the Clerk of the District Court of the United States for the Southern District of Illinois in the Federal Building in Springfield, Illinois, on or before the 5th day of Jan. 1976 default may be entered against you at any time after that day and a Decree entered in accordance with the prayer of this Complaint.

Rites Tuesday for Mrs. Markham, 72
Funeral services were held at 11 a.m. Tuesday at a Granite City funeral home for Mrs. Mary L. Markham, 72, of Rural Route Two, Granite City.
She died at 10 a.m. Sunday at Jewish Hospital, St. Louis.

Survivors include her husband, Lawrence; two sons, Bill and Tom Markham, and a daughter, Miss Jeanne Markham, one sister, Mrs. Patricia McCannahan; two grandchildren and one great-grandchild.
Burial was in Sunset Hill Cemetery, Edwardsville Township.

Public courses to aid heart attack victims

Rich and Donna Hendrix, owners and operators of The Diving Chamber, 4047 Gravois, St. Louis, and members of the Bubblemasters Scuba Diving Club of Granite City, will sponsor two Cardio-pulmonary Resuscitation (CPR) courses at their shop on Monday, Nov. 24 and Tuesday, Nov. 25.

Both one-night courses are open to the public and the instruction will take place from 6:30 to 10:30. CPR training not only aids those involved in scuba diving, but is invaluable for anyone interested in providing initial assistance to a possible heart attack victim on-the-job or at home, the instructors advised.

Mr. and Mrs. Hendrix are residents of Edwardsville. Additional information about CPR courses may be obtained by calling the couple at 1-666-1253, or Vance Weiss of Granite City, at 877-2912. Weiss is a Bubblemasters member and a director of the Midwest Diving Council.

Dance Saturday to aid crippled

Members of the Granite City Society for Crippled Children met at the Elks Lodge to complete plans for the sixth annual "benefit ball" to be held at the Croatian Home in Madison on Saturday.

President Gertrude Luebben presided. Past President Louis Kucharski and A. E. "Tony" Michel will be masters-of-ceremonies for the event. A social hour will start at 6 p.m., with a buffet dinner to be served at 7 p.m. The Four Seasons dance band will furnish music for dancing. Gifts will be given.

Ron Luebben has reported that tickets are still available at Michel's Jewelry & Gift Shop, State Road & TV, the Croatian Home or from members of the Society.

Mrs. Fanny Epstein and Mrs. Mildred Talley, who are serving as chairmen of the Society's dress-a-doll project for needy children, reported that members have dressed a total of eight dolls.

The president announced that the Christmas party and A. E. "Tony" Michel will be masters-of-ceremonies for the event. A social hour will start at 6 p.m., with a buffet dinner to be served at 7 p.m. The Four Seasons dance band will furnish music for dancing. Gifts will be given.

Interns to aid universities in joint programs

A \$16,000 proposal for support of program development for the regional Council on Institutional Cooperation (CIC) here was approved last week by the Illinois Board of Higher Education, meeting on the campus of the University of Illinois in Urbana.

The institutions involved are Belleville Area College, Blackburn College, Greenville College, Kaskaskia College, Lewis and Clark Community College, McHenry College, Park College of St. Louis University, Southern Illinois University at Edwardsville and State Community College of East St. Louis.

According to the proposal guidelines, the funds will support nine advanced graduate students from the higher education programs of senior institutions in the area as administrative interns in the eight smaller member institutions of CIC and the office of the executive director.

Purposes are "to support institutions' administrations in their participation in CIC programming, provide coordination between the executive director's office and the institutions, and explore and encourage all aspects of cooperative program development."

The area senior institutions involved in addition to SIUE are members of the Higher Education Coordinating Council of Metropolitan St. Louis and the Southern Illinois Collegiate Common Market. The office of the executive director of CIC, Alfred J. Junz, is located on the SIUE campus.

Nominations for the internships will be submitted by Ray Lows, chairman of the department of educational administration at SIUE; Carl A. Hangartner, coordinator of the Higher Education Program at St. Louis University; and John E. King, chairman of the department of higher education at SIU at Carbondale. The nominating committee, with the cooperating community and private colleges, will interview and select the nine interns to serve one academic year in CIC program development.

"The Golden Taste Comes Ringin' Through"

Primary filing opens Dec. 8

Alignment of candidates in the March 1976 Democratic and Republican primary elections were developing in political circles here this week with a one-week filing period only a month away.

Filing for county and legislative posts in the March 16 primary will open Dec. 8 and continue through Dec. 15, followed by a five-day withdrawal period, according to County Clerk Evelyn Bowles. Petition forms for candidates who will seek nomination in the primary were mailed by Miss Bowles' office last week to all

precinct committeemen of both parties, to County Board members and all county officeholders.

Madison County voters will nominate Democratic and Republican candidates for recorder of deeds, circuit clerk, coroner, county auditor and state's attorney.

Also at the county level, candidates for County Board posts will be nominated by both parties in 15 of the 29 County Board districts in which terms of present board members expire next year.

Four of these districts are in

the Quad-City area including Districts 22 of Granite City, in which Herbert Milton is the incumbent board member; District 23 of Venice, Jay Maurer incumbent; District 24 of Venice, Arthur "Cooper" Moore incumbent; and District 25 of Nameoki Township in which Homer Boothman is incumbent.

Petitions by candidates for congressional of the 23rd Congressional District, and for state senator and state representatives of the 56th Legislative District (which includes the Quad-Cities) will be filed with the Secretary of State's office at Springfield.

The office of State Senator Sam J. Vadala (D-Edwardsville) will be subject to election for a two-year term. State senators normally are elected to four-year terms, but a shorter term during 1976-78 is mandated by the Illinois Constitution.

Madison County voters also will elect a congressman of the 23rd Illinois District, a post for which Cong. Melvin Price (D-East St. Louis) has announced he is a candidate for re-election.

State representative posts subject to election next year are those of Sam Wolf (D-Granite City) who was appointed last month to fill a vacancy created by the resignation of Horace Calvo of Granite City; Joe Lucio (D-Edwardsville) and Everett Steele (R-Glen Carbon).

At the county level, offices open to election are those of Ron Lucas of Maryville, recorder of deeds; Willard "Butch" Portell of Collinsville, circuit clerk; Nicholas Byron of Edwardsville, state's attorney; and Mrs. Dallas Burke of Alton, coroner, and John Kraynak, county auditor. All are Democrats.

CYO CAR WASH
The St. Mark's Catholic Youth Organization in Venice will hold a car wash Saturday from 10 a.m. until 6 p.m. on the St. Mark's school grounds, 600 Broadway. Donations are \$1.50 for cleaning both the outside and inside of the car.

Missionary Baptist joins association

The 69th session of the Illinois Baptist State Association meeting, held in Springfield last week, received 11 new churches into the association, including the Southern Missionary Baptist Church, 921 Bissell St., Madison. The Rev. Shelby L. Calhoun is the pastor.

The convention re-elected the Rev. Wendell Garrison as president and Rev. Keith Stanford as vice-president.

Rev. Garrison was formerly

pastor of Suburban Baptist Church here and is presently serving at Winstanley Baptist Church in Fairview Heights.

Rev. Stanford, of Granite City, is the association's missionary for the Madison County Baptist Association.

Bill Duval was elected to the constitution committee, and Bill H. Terrell to the church extension committee. Both are from Granite City.

Celebrate 75th anniversary

Members of Cascade Lodge 602, Knights of Pythias celebrated its 75th anniversary with a dinner meeting at St. Bartholomew Episcopal Church Annex.

Wayne Pennell of Marshall, Ill., grand chancellor of domain of Illinois, and Henry C. Parkison, Springfield, Ill., grand secretary, attended.

Remarks were made by Elmo Gruenewald, chancellor commander of the lodge, and by Dr. Harry Epstein, former chancellor commander and a 50-year member, recounting the history of the local lodge which was established Nov. 9, 1900. James Brown and E. Paul

Stunkel were awarded 25-year membership pins. The program was concluded with Ralph Frohardt exhibiting slides recounting the city's early history.

ENTER, LOOT HOME

A ladder was propped against a rear bedroom window and the window was opened to gain entry to the home of Donna Boaz, 307 Wilson Park Lane, it was reported at 5:15 p.m. Monday. Taken were a television, a tape player and one tape recording. Forced entry also was gained to the storage shed, but it was not known if anything there was stolen.

Graduates as cargo specialist

Airman Jeffrey S. Pulley, son of Mrs. Katherine L. Puckett, 2800 Grand Ave., has graduated at Sheppard AFB, Tex., from the U. S. Air Force air cargo specialist course conducted by the Air Training Command.

The airman, who was trained in special handling and storage of air freight, is being assigned to Clark AB, Philippines, for duty with a unit of the Military Airlift Command.

Airman Pulley is a 1974 graduate of Livingston High School. His father, Harvey J. Pulley, resides in Grafton.

In Germany

Army Private Tony Becerra, 20, whose wife, Stacey, lives at 2120 Lee Ave., has been assigned to the 1st Armored Division in Bamberg, Germany. A mortarmen in Company B, 1st Battalion of the division's 54th Infantry, Pvt. Becerra entered the Army in May and completed basic training at Fort Polk, La.

Municipalities, industries followed early settlements

(Sixth in a series on Quad-City area history—presented as part of the local U.S. Bicentennial observance—follows. It was written by Mrs. Georgia Engle.)

St. Louisans and Illinoisans flocked to the Horseshoe Lake area for church picnics, family outings and organizational gatherings.

Most people rode the "yellow hammer" street car to the end of the line, Stemmmer's, and either caught a boat to carry them across the lake or rode in a hack pulled by a horse.

A resort built in about 1880 later burned and the Moellbrock family rebuilt it. There was a ballroom on the second floor where people enjoyed dancing. There also were a bowling alley and a merry-go-round.

People staying for the weekend could rent one of the 11 rooms in the hotel.

Home-cooked meals were served as well as plenty of beer.

There was a large stable nearby where the guests' horses were kept overnight.

The Moellbrock Rod and Gun Club had a clubhouse on the premises.

When this group held a picnic, the Troy and Eastern train would bring cars filled with people.

The village of Venice was incorporated in 1873 and the village of Madison was incorporated in 1891.

Madison and Venice suffered heavy flooding in 1903. People had to move to higher ground, because of the water to farms along the bluffs.

Many farmers lost everything they owned.

A steel foundry and rolling mill were built after this and Granite City grew rapidly, attracting many foreign-born workers.

Granite City became known as the "Pittsburgh of the West" because of its extraordinary growth and industrial concentration.

The Niedringhaus brothers, employed Professor L. F. Frohardt to organize the schools.

Schools, churches and homes were built, and today Granite City is a city of more than 40,000 population.

CHRISTMAS IS COMING. Mesdames Clyde Wilson and Benjamin Forshee are shown discussing inexpensive wraps for children's packages. The two ladies spent an hour showing how to gift wrap by using what is available in the home. They stressed conservation, economy and creativity by using scraps of fabric, wallpaper book samples, scraps of sewing notions, yarn, newspaper, shopping and brown paper bags, pinecones, bittersweet, dried leaves, old Christmas cards, road maps and pages from magazines. An elaborate exhibit of unusual packages highlighted the presentation for 51 members of the Trio, Granite City and Isabel Bevier units of the Homemakers Extension Association. Mrs. Richard Prehn of Trio presided. Reports were given by Catherine Mauck and Diana Bartsch, county extension advisers.

Kiwanis see film on electronic bank system

The Breakfast Kiwanis Club at its Thursday meeting, Charlie's Restaurant had a look at electronic banking as Kiwanian Herbert Camren, vice-president of the First Granite City National Bank, showed a film titled "Electronic Funds Transfer Systems."

The film demonstrated the use of a plastic identification card which activates an EFT systems machine and allows a person to make deposits and withdrawals on his account any time of the day or night.

The system was described as putting a "mini-bank" in a

shopping center, at a factory or any other accessible place. The EFT system is in use now in 200 cities. However, branch banking is not legal in Illinois and the system is considered a form of branch banking. Kiwanian Robert LeGrand reported that Ladies' Night is scheduled Friday, Nov. 14, on the Goldenrod Show Boat with dinner at 7 p.m.

The club purchased 12 pairs of tennis shoes for the "Officer Friendly" program. The shoes are to be given to needy children who can't afford them. Members were reminded that dues are due.

Car pool plan proposed for SIUE students and employees

Students at Southern Illinois University at Edwardsville may have a chance to enter a car pool when they register for classes for winter quarter.

Jim Bridwell, assistant professor of earth science and planning at SIUE, has initiated a plan that would provide car pools for all students and employees at SIUE. He suggests that students be required to complete a car pooling form during their regular registration, Nov. 18 through Nov. 20 and Jan. 5. However, actual participation in a car pool would be voluntary, he added.

Employees would receive their forms by mail. "I hope that they will set a leading example by participating in the program," said Bridwell.

East-West Gateway Coordinating Council will program the data and provide individual lists for each student containing the names of those people whose commuting habits match his, explained John Madras, a representative of the council. The lists would then be mailed to the students by the University. The council has also agreed to partially fund the program, said Madras.

Bridwell stated that while some may disapprove of filling out the mandatory form, the problem is minimal compared to one that will occur if conservation efforts are not taken. "Besides the obvious rewards such as reducing pollution, preserving gas and saving money, I would like to offer an extra incentive," said Bridwell. He suggests that those participating in a car pool be allowed to use parking lots closest to the campus complex. This would be a savings of \$20

per person, the cost of parking decals for these lots.

However, since space in these lots already is reserved until next fall, that part of the plan would not be immediately possible, according to Rich Dunham, a member of the Parking and Traffic Committee at SIUE.

Responsibility for development of the proposal has been assumed by the Student Planning Association at SIUE, Bridwell said.

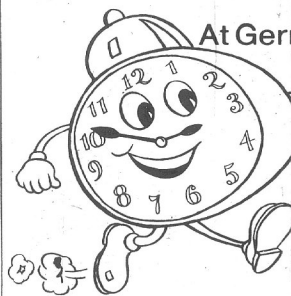

Melucci named to state post

The Illinois County Administrative Aides Association has selected as officers for 1976 Phil Taylor, director of the Office of Administration of St. Clair County, president; Marie Shook, Peoria County Board administrative assistant, treasurer; and Matthew Melucci, Madison County Board administrative assistant, secretary.

The association, only recently formed, is composed of appointed chief administrative officers from those counties in Illinois which have created such a position.

Purposes of the association include the promotion of professionalism in county administration; information interchange among counties; and the conduct of educational programs for the membership. The three are the first officers to be chosen by the association. It is affiliated with the Illinois Urban Counties Council, of which Nelson Hagnauer, Madison County Board chairman, is a board member.

Environment statement prepared for coal dock

Colonel Thorwald R. Peterson, district engineer, U. S. Army Engineer District, St. Louis, told the Press-Record Friday that a draft environmental impact statement for a pending Department of Army permit for a coal dock has been prepared by the St. Louis District.

The statement concerns proposed construction of rail-to-barge coal transfer facilities along the Mississippi River near the southern end of Hall Street in St. Louis by ACBL Western, Inc., Jeffersonville, Ind.

The applicant's proposal includes construction of a 10-million-ton per year coal terminal for transferring Western coal from unit trains to river barges for transport to locations along the Ohio and Mississippi Rivers.

The terminal would be located on the west bank of the Mississippi River, just north of the southern outlet of the Chain of Rocks Canal.

It would occupy 45 acres of presently unused industrially-zoned land between the Burlington-Northern Railroad freight yard and Hall Street. The terminal would include a rotary car dumper, coal storage piles (500,000 tons) and an ancillary stacker-reclaimer, plus conveyors to carry the coal across the railroad yards and the floodwall to a barge loading facility located on the bank of the river.

The statement addresses both beneficial and the adverse impacts of the project. Col. Peterson said single copies of the draft statement may be obtained from the St. Louis District Office, 210 N. 12th St., St. Louis 63101.

Aptitude test at North

Senior students will be given a chance to test their aptitudes in different career fields, according to Granite City Army Recruiter Sergeant Thomas Sparks.

A special aptitude test, called the Armed Forces Vocational Aptitude Battery or ASVAB, will be administered here by Sgt. Sparks and other Armed Services representatives to interested seniors on Nov. 19 at Granite City High School North. The sergeant said, "The ASVAB is designed to measure specific aptitudes relating to certain jobs and career fields rather than general intelligence or overall ability. The results definitely will help the student and his or her counselor in improved job placement."

The test is administered annually to thousands of students in the area as a public service by the military. "Although we administer the ASVAB, it is in no way an obligation in regard to military service," Sgt. Sparks emphasized.

About two and a half hours will be required to complete the test, which actually is made up of nine different tests in five aptitude areas: electronics, general mechanical, motor mechanical, clerical and ad-

ministrative, and general technical. The results of the test will indicate the probability of success in one or more of these fields by taking into consideration certain skills that are frequently used in the career groups.

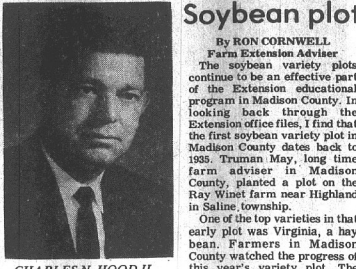

The results will be returned to Henry Beiser and Mrs. Charlotte Gauen, counselors at North, about 30 days after the test date. Sergeants Sparks and John Keene will conduct personal interviews with students taking the test, to assist the students in interpreting and evaluating their results.

"Some students may spend many years after leaving school trying to find out what job or career they're best suited for," Sgt. Sparks said.

"This test will give everyone a chance to plan his or her future before graduation. Once an individual knows the profession for which he's best suited, he gains a new spirit of confidence for the future," he said.

Senior students interested in taking this test should contact Mrs. Gauen or Mr. Beiser in the guidance office. The registration deadline for this test will be Friday, Nov. 14. Students may register at the GCHS North counseling offices. The testing program will be scheduled at GCHS South after the first of the year.

The testing program will be held at Venice High School on Friday, Nov. 21, and at Madison High School on Friday, Nov. 21, and at Madison High School on Wednesday, Dec. 3.

CHARLES N. HOOD II

C. N. Hood to head market development

Charles N. Hood, II has been appointed to the newly-created post of director, market development for American Steel Foundries, Chicago-based division of AMSTED Industries, it was announced Monday by Carl O. Sundberg, ASF president.

In his new position, Hood will be responsible for market research and planning, advertising, sales promotion and service engineering. He joined ASF in 1967 as assistant to the vice president, product planning and development. In April 1968 he was named manager of product development at Princeton University.

Hood became manager of product development in October 1968 and in 1971 was appointed assistant to the president. He is a 1947 electrical engineering graduate of Princeton University. American Steel Foundries produces a variety of cast steel components for railroad freight cars; fifth wheels, the coupling device which connects a high-way tractor to its trailer, and steel springs for railroad cars, construction equipment and farm machinery. The division has plants at Alliance, O., East Chicago and Hammond, Ind., and in Granite City.

BRETT BJORKMANS, NAME DAUGHTER BROOKER. Mr. and Mrs. Brett Bjorkman, Novi, Mich., formerly of Granite City, are announcing the birth of their first daughter, Brooke Elizabeth, born on Nov. 7.

The couple also has two sons, Brett and Brian Bjorkman. A paternal grandmother is Mrs. Helen Bjorkman, 2319 Waterman. The maternal grandparents, Mr. and Mrs. Edward Goodin, reside at 3700 Franklin Ave.

Soybean plotting dates back to 1935

By RON CORNWELL
Farm Extension Adviser

The soybean variety plots continue to be an effective part of the Extension educational program in Madison County. In looking back through the Extension office files, I find that the first soybean variety plot in Madison County dates back to 1935. Truman May, long time farm adviser in Madison County, planted a plot on the Ray Winet farm near Highland in Saline township.

One of the top varieties in that early plot was Virginia, a hay bean. Farmers in Madison County watched the progress of this year's variety plot. The variety plot was on the Richard Bauer farm in Nameoki township on the west side of Madison County.

Williams was the top yielding variety in the plot with a yield of 54.2 bushels per acre. Williams is about three days later than Wayne in maturity but is similar in plant height and seed size. The yield of the other varieties in the plot included: Adelpia—52 bushels; Bonus 49½ bushels; Woodworth—47 bushels; Wayne—47 bushels; Pamona—47 bushels; Calland—46.8 bushels; Cutler 71—47.7 bushels; Clark 65—46.4 bushels, and Dore—40.8 bushels.

Pamona and Woodworth were new varieties in the test plot for the first time. The Pamona variety had an average size seed but we noted a characteristic greenish cast to the seed as it was harvested. Woodworth is a variety with the same maturity as Wayne. It has a very small seed. It exhibits the

same lodging resistance and shattering resistance as the variety Wayne. Woodworth is a selection from a cross of Wayne and the plant material used in developing the variety Williams.

The variety Dare is a long season soybean variety that was developed in the south. It matures approximately 22 days later than Wayne. Because of the extreme late maturity, Richard was unable to harvest this variety on Oct. 20 when the rest of the plots were harvested.

Lateness of harvest is one of the major disadvantages of the long season varieties in this area. I don't think long season soybean varieties will ever be

popular in this area for that reason.

I receive several questions each year on where to obtain a germination test on soybean seed. Farmers interested in a germination test on soybean seed should have the testing done early in the year. The state seed laboratory receives a heavy number of samples in the late spring each year which often results in a delay in getting the results back to you.

Madison County farmers should send seed samples for a germination test or purity analysis test to the Illinois Department of Agriculture, State Seed Laboratory, Division

of Plant Industry, Emmerson Building, Fairgrounds, Springfield, Illinois 62766.

It is very important that with each sample sent, you include your name, address, kind of seed, variety, year, grown, month of harvest, where grown and type of test desired. This data is important to the technician at the lab in processing and returning the results of the sample to you as rapidly as possible.

The size of sample you send to the laboratory is important. For seeds such as soybeans, corn or wheat, you must send one quart or 1½ pounds of seed. For seeds such as alfalfa, red clover, sweet clover, or alsike,

one cupful or five ounces of seed is required. For seeds such as fescue or ryegrass, one pint or ½ pound of seed is needed.

It is important that seeds be sent to the seed lab in a break-proof container. Samples should be sent first class mail or parcel post.

The state has a policy that the first five samples sent in by an individual are tested free each year. Testing charges are made for samples in excess of the first five. For additional information on obtaining a germination test on crop seeds, farmers may contact the state seed laboratory or your local Cooperative Extension Service office.

Masquers to present 'Tom Sawyer'

TIRES STOLEN

Martin Connor, 2009 Missouri Ave., reported during the weekend, that unknown persons had climbed atop a transport trailer on which he was hauling 1976 Chevrolet to various areas in Illinois, took the keys from the glove compartments and stole spare tires. Taken were five spare tires. The property was owned by the C&D Commercial Driveway.

The Masquers, Inc. will present "Tom Sawyer," a children's theater production, Sunday, Nov. 16 and Saturday, Nov. 22 at the E.A.C. Miners Theater in Collinsville, and on Sunday, Nov. 23 at the Granite City South High School auditorium. All performances are scheduled for 2 p.m.

Tom Myrda of Fairview Heights and Robert Scoggins of

Belleville portray the rambunctious mid-nineteenth century team, Tom Sawyer and Huck Finn.

Judy Padgett, Robin Nunn, Ed Hesseldeiz, and Mark Stephens, all of Granite City, are featured in the roles of Aunt Polly, Muff Potter, Injun Joe and Sid Sawyer.

Judy Padgett plays the strict but affectionate Aunt Polly. Judy appeared on stage with The Masquers in Granite City performances of "Alice in Wonderland," in which she played The Duchess. She was also seen as Fruma Sarah in "Fiddler on the Roof," and earlier this season as Lt. Genieve Marshall in "South Pacific."

Robin Nunn is a theater major at Southern Illinois University at Edwardsville. He comes to the role of Muff Potter with a wide variety of experience on stage with The Masquers and with the University Theater Department. He played the role of Lt. Cable in The Masquers' production of "South Pacific," staged at the Granite City South High School auditorium in September.

Ed Hesseldeiz plays the villainous Injun Joe. Ed is a 1975 graduate of Granite City High School South, where he appeared in "The Crucible" and in "South Pacific." He also has appeared in The Masquers' productions of "Alice in Wonderland" and "South Pacific."

productions of "Alice in Wonderland" and "South Pacific." Mark Stephens plays Tom Sawyer's cousin Sid. He has performed in Masquers' productions of "Alice in Wonderland," "Hello, Dolly," and "South Pacific." While attending Granite City High School South, he appeared in a number of the school's productions, and also has performed with the East Bank Players of Granite City.

Other Granite City residents included in the cast of "Tom Sawyer" include Beverly Campbell, Jackie Davidson, Kim Filcoff, Marquita French, Neil French, Jim Fensterman, Tammy Gay, John Kastele, Linda Parish, Jeanne Pieper, Tim Quain, Steve Reinagle, Janet Shanta, Susan Shanta, Beth Sobolewski, Shirley Sobolewski and Mike Taylor. The cast also includes adults and children from Belleville, Collinsville, Fairview Heights and surrounding Metro-East communities.

"Tom Sawyer" is the second production of Masquers' 1975-76 season, which is centered around a theme of Americans.

Holy Trinity youth to host national meet

A three-day national meeting of the Eastern Orthodox Youth Association (EOYA) will take place Nov. 28-30 at the Chase Park Plaza Hotel, St. Louis, and the Holy Trinity Bulgarian Eastern Orthodox Church in Madison.

Under the auspices of the Holy Trinity Eastern Orthodox Youth, the event will be the first youth festival to be staged in the St. Louis bi-state region for all Eastern Orthodox youth in the nation.

Holy Trinity Church, located at 13th Street and Grand Avenue, Madison, is the oldest Bulgarian Orthodox Church in the United States.

Host group, members of the Holy Trinity Youth Organization are in charge of

planning the entire three-day festival. General chairman is Miss Kristina Christich of the Madison church.

Among the special activities will be performances by the top-rated Hore (circle dance) bands from Detroit, Mich., Miss Christich said.

Although some events will take place at the Chase Park Plaza, where many guests will be staying, several important activities are scheduled at Holy Trinity Church and parish hall in Madison, including the opening night dance at 9 o'clock Friday, Nov. 28, with music being provided by the Blue Tones band from Detroit.

On Saturday, Nov. 29, a special Divine Liturgy for Youth, with educational and spiritual fellowship, will be conducted at Holy Trinity Church, starting at 9 a.m.

His Grace Bishop Simeon and other parish priests, including the Very Rev. Peter J. Stamboldiev of Holy Trinity, will conduct the liturgical service.

At 10 a.m., Nov. 29, youth delegates will convene for a business session in Holy Trinity Hall, where a luncheon will be served at the noon hour.

Out-of-town guests will be escorted on a sight-seeing excursion during the afternoon. A gala dinner-dance in the Starlight Room at the Chase Park Plaza, commencing at 6:30 p.m. Nov. 29, will climax the day's activities.

The young people will gather at 10 a.m. Sunday, Nov. 30 at Holy Trinity Church for Divine Liturgy. A farewell luncheon will be served at noon prior to the festival's formal closing.

Under Miss Christich's leadership, chairman

responsible for various assignments are:

Tickets—Annette and Olga Tarporf; publicity—Bob Reeves and Helen Christich; refreshments—Kathy Ambuehl and Venka Ambuehl; reservations—Miss Christich and Eleanor Todoroff.

Dinner—Mrs. Mary Tarporf and Dorothy Beck; ad book—John Belicoff and Venka Ambuehl; boosters—Elaine Efimoff and Cathy Belicoff; hostesses—Cathy and Connie Beck, Elaine Todoroff and Dorothy Beck.

Transportation—Glen Beck, Nick Todoroff and Al Todoroff and sons, Alex, John and Craig; door attendants—Boris Elieff, Slav and Anthony Efimoff and Paul Elieff; and dance refreshments—Leland Ambuehl, George Miosky, Tom Ambuehl and Greg Christich.

MR. AND MRS. MARK HAMMOND, whose wedding took place at the First Assembly of God Church. The former Sandra Faye Kirksey, the bride is a daughter of Mrs. Sallie Kirksey, 3203 Kilmer Drive, and Oliver Kirksey of Madison.

Sandra Kirksey becomes Mrs. Mark J. Hammond

Miss Sandra Faye Kirksey and Mark James Hammond exchanged wedding vows at 7 p.m. Oct. 24 in a candlelight setting at the First Assembly of God Church.

The Rev. Dale Edwards performed the double ring ceremony. Norma Lawson, a cousin of the bride, accompanied Tafta Hogan, who sang "Whither Thou Goest," "I'll Go," "Wedding Song," "Time In a Bottle" and "Love Story." Perry Dillard sang "I Love Her."

Parents of the bride are Mrs. Sallie Kirksey, 3203 Kilmer Drive, and Oliver Kirksey of Madison. The groom is a son of Mr. and Mrs. Robert Hammond Sr., Lake St. Louis, Mo.

Escorted to the altar by her father, the bride wore an antique ivory satin gown. The fitted bodice had a Cluny lace yoke, a jewel neckline and long fitted sleeves.

The full skirt was made with a back lace panel and a cathedral train of Chantilly.

A lattice headpiece of ivory satin secured her fingertip veil and she held a cascade of pink roses and baby's breath, with trailing ivory and pink streamers.

Matron of honor Mrs. Peggy Kirksey, a sister-in-law of the bride, and the bridesmaids, Sandy Weissenborn, Donna Ketner, Marilyn Boblack, Debbie Warren and Janet Scanlon, wore identical blue crepe gowns created with ivory lace bodices.

The long, full sleeves were cuffed with lace and the formal-length skirts were encircled with a ruffle. They wore ivory pillbox hats accented with blue lace.

Each attendant carried a colonial bouquet of blue blossoms centered with pink roses and ivory baby's breath.

The flower girl, Francine Milton, the bride's cousin, was dressed in a blue frock with an ivory lace pinafore. She wore a matching lace pillbox hat and carried a basket of pink roses, baby's breath and greenery.

Robert Hammond III, the groom's nephew, served as the ringbearer.

Attending the groom was his brother, Robert Hammond Jr., Dale, Don and Tim Kirksey, brothers of the bride, John and Scott Hammond, brothers of the groom, James Rochford, Benny Barron completed the corps of groomsmen and ushers.

A reception was held at the Long Lake Firemen's Hall. The rehearsal dinner was hosted by the groom's parents.

Lighting the candles were Beverly LeMaster, a cousin of the bride, and Becky Barron.

Mrs. Kirksey, mother of the bride, chose a long pink gown and the groom's mother, Mrs. Hammond, selected a full-length blue dress. Both wore ivory carnation corsages of the groom's parents.

The newly married couple traveled on a wedding trip to French Lick, Ind. They are now residing in St. Louis.

The bride graduated from South High School and attended Lewis and Clark Community College and Southern Illinois University at Carbondale. She is employed at State Farm Insurance Co., St. Louis.

A graduate of Christian Brothers College, St. Louis, the groom also attended CBC in Memphis, Tenn. He works at the Stifel Nicolaus and Co. stock brokerage firm in St. Louis.

Out-of-town guests included Becky Barron of Kankakee; Marilyn Boblack and Suzie Brazis, Chicago; James Rochford, Bronx, N. Y.; and Tom Helm and Mark Zon, both of Memphis, Tenn.

Evening Etude hears music from U.S. past

"Church Music of 200 Years Ago" in keeping with the Evening Etude Music Club's theme, A Musical Bicentennial, was presented by Mrs. Kathy French and Mrs. Rosemary Wynne last week.

Members of the club met in the home of Mrs. French and welcomed a new member, Mrs. Pat Sanders.

During the program, Mrs. Wynne displayed a chart showing the Colonies, when each was founded and the predominant religion. Church music consisted mostly of singing Psalms. Since they had no notations in the early 1700's singing teachers, called "Yarker Tune Smiths," held classes to teach people the songs, according to Mrs. Wynne.

Members sang two fugues from the early 1700's to conclude the presentation.

Plans were made to attend the Sing-Along Messiah at Powell Symphony Hall on Dec. 14.

Refreshments were served by the hostess to June Branding, Sarah Repp, Shirley Blasingame, Pat Sanders, Barb Bryan, Yvonne Lipchik, Lois Bihrey, Jane Kozielek and a special guest, Mrs. Kaburek of Belleville.

Mrs. HILDRED LEWIS IS BAPTIST CLASS SPEAKER

"There's More to Life Than Living" was the subject of a devotional lesson presented by Mrs. Hildred Lewis at a meeting of the Good News Sunday School Class of Suburban Baptist Church.

Mrs. Lewis also read an article, entitled "Contented," as part of the program.

Mrs. Wanda Bradford, 1508 Clark Ave., was hostess for the monthly session. Mrs. Mary Lou Summers and Mrs. Edna Jackson offered prayer.

Refreshments were served by Mrs. Bradford to those named and to Mesdames Ella Watts, Imogene Smith, Evelyn Mohorn, Wanda Lylela, Ruth Bunker and Pauline Dalhaus.

New parent group at South

A newly-formed parent group held its first official meeting at Granite City High School South auditorium last week to hear three representatives of the Citizens' Advisory Council for District No. 9 public schools who presented a panel discussion and responded to questions about the Citizens' Advisory Council and other matters pertaining to the school system.

The parent group was

organized to improve communications between GCHS South and the parents of the students at South, and to foster awareness on the part of school officials, parents and citizens of the community, according to leaders of the group.

The parent group will hold its next meeting Thursday, Nov. 20, at 1 p.m. in the Guidance Office conference room at Granite City High School South. The meeting will adjourn at 2:30 p.m. All interested parents are invited to attend the meeting.

PROGRAM PARTICIPANTS at the Church Women United's World Community Day celebration at St. Peter Evangelical United Church of Christ, from left to right, are the Rev. Michael Inyart, Miss Annette Tarpoft, Sister Barbara Mary, and the Rev. Robert L. Kettelhut, pastor of St. Peter's. A dramatization showing the contrasting cultures of the United States and an underdeveloped region in Africa highlighted the presentation.

Contrasting lifestyles at World Community Day

Over 100 persons attended the Church Women United World Community Day celebration which was held last week at St. Peter Evangelical United Church of Christ.

The theme of the evening, "One Community Under God," placed special emphasis on world hunger and the group's "Water for Women" project.

An organ prelude by Robert Hutcheson opened the observance, followed by a church vocation by the Rev. Robert L. Kettelhut, pastor of St. Peter's.

Welcoming the guests was Mrs. James Henderson, president of Church Women United, who reviewed many of the successful projects undertaken by the group during the past year.

The program graphically described the contrast between life in the United States and that in an underdeveloped region of Africa, and suggested ways in which the affluent might aid their less fortunate brothers.

Participating in the

dramatization were the Rev. Michael Inyart, Sister Barbara Mary, both of Sacred Heart Church, and Miss Annette Tarpoft. A guitar group, consisting of Joanne Pieper, Carol Schwenker, Erin Rutledge, and Caren Shevick also from Sacred Heart, provided music during the presentation.

Mrs. George Vogeler, CROP-Church Women Service chairman, accepted the final offering of the year for Church Women United's "Water for Women" project. An additional two wells will be dug with the funds, making the group's total contribution for the year at five wells, or approximately \$1,300.

Following the program, a coffee hour was hosted by the women of the host church under the direction of Mrs. Elsie Branding. The Madison Senior Citizens "Bellringers" played selections during the hour.

Mrs. Ronald Pennell, vice-president of Church Women United and coordinator of the day of celebration, was chairman of the event.

SISTER GABRIEL
Sister Gabriel to be honored

Sister Mary Gabriel Friedel, a first grade teacher at St. Elizabeth Catholic School, will be guest of honor at a silver jubilee of profession tea from 2 to 4 p.m. Sunday at St. Elizabeth Church.

A mass of thanksgiving will be conducted at the church at 11:30 a.m.

The honoree celebrated her 25th year of profession of religious vows in the congregation of the Sisters of Divine Providence on Aug. 5 of this year.

Members of the St. Elizabeth Altar Society are preparing for the social reception on Sunday afternoon.

Parishioners and other local residents are invited to attend. On completing 8th grade at Monterey School in Calhoun County, Ill., Sister Gabriel entered the religious community's preparatory school in Normandy, Mo. She made her novitiate and then took her first vows on Aug. 5, 1950.

Sister Gabriel studied at Webster College and received a bachelor's degree in education. Her years in the religious life have been spent in teaching in the primary grades. Presently, Sister Gabriel is teaching at St. Elizabeth School, where more than 500 pupils have gone through first grade under her tutelage.

TWO ON VOLLEYBALL TEAM AT ILL. COLLEGE

Two Quad-City area women have been named to the women's volleyball team at Illinois College, Jacksonville. Chris Phillip, daughter of Mr. and Mrs. John Phillip of Granite City, is a sophomore, majoring in chemistry. Miss Phillip is a 1974 graduate of Granite High School.

Judy Goady, daughter of Mrs. Myrtle Goady of Madison, is a freshman and is undecided as to her major. She is a 1973 graduate of Madison High School.

The Rambos to sing in Alton

"The Rambos," a trio of gospel singers, will present a program of soft ballad-style gospel music at a Fellowship meeting at 7 p.m. on Saturday at the West Junior High School, 1513 State St., Alton, according to Roy Thompson of Granite City, a member of the host group.

Sponsoring the evening's presentation is the Full Gospel Business Men's Fellowship, greater Alton area chapter. Ministers, ladies, laymen and young people of all denominations are invited to attend, Thompson added.

MR. AND MRS. EVERETT KLOCKE. They were married in an evening ceremony at St. Mary's Catholic Church, Edwardsville. The bride is formerly Debbie Mikolaszuk, a daughter of Mr. and Mrs. Joseph Mikolaszuk of Edwardsville, former residents.

Debbie Mikolaszuk and Everett Klocke are wed

The wedding of Miss Debbie Mikolaszuk and Everett Klocke was solemnized in an evening ceremony on Oct. 24 at St. Mary's Catholic Church in Edwardsville.

Urs of yellow mums and white gladiolus decorated the sanctuary, which was illuminated with burning tapers in branched candelabra. The double ring ceremony was performed by the Rev. Roger Simpson.

Mrs. Mary Noud sang "Wedding Song," "Because" and "The Lord's Prayer," accompanied at the organ by Miss Jennie Raffaele.

The bride is a daughter of Mr. and Mrs. Joseph Mikolaszuk, 817 Troy Road, Edwardsville, former residents. Parents of the groom are Mr. and Mrs. Herbert Klocke of Moro, Ill.

For her wedding, the former Miss Mikolaszuk chose a long A-line gown. The Chury lace empire bodice was made with a high neckline, etched with pearls, and long tapered sleeves.

The full-length skirt of chiffon over taffeta and the cathedral train were accented with Venise lace.

A Venise lace Juliet cap, accented with pearls and satin ribbon, secured a tiered elbow-length veil.

She carried a cascade of blue baby's breath, white carnations and yellow roses.

Matron of honor Mrs. Valerie Dungan, a cousin of the bride, and the bridesmaid, Cheryl Gummshelmer, the groom's cousin, chose blue and white dresses fashioned with V-necklines, high rise waists, angel wing sleeves and long, full skirts.

They wore white picture hats and held bouquets of yellow carnations with white baby's breath.

The groom chose his brother, Herbert Klocke Jr., as best man. Dwayne Irsinghauser was the groomsmen and the ushers included Manny Volrab and Ray Gansz, cousins of the bride.

A reception was held at the Moose Lodge. The rehearsal dinner was hosted by the groom's parents at the Lewis and Clark Restaurant.

Kathy and Theresa Mikolaszuk, cousins of the bride, attended the guest book. Lou Volrab, Rayceal Kraut and

THE REV. AND MRS. WAYLAND GAWTHORP. who will conduct worship services at 7 o'clock each evening at St. Paul's Church of the Nazarene, 4300 Maryville Road, beginning Tuesday and continuing through Sunday, Nov. 23.

Parliamentary law Coterie topic

"What's Wrong With Doing Things Right?" was the topic of Mrs. Dawson Wade, who reviewed and led a general discussion on bylaws and parliamentary procedures at last week's meeting of the Ladies Coterie.

Club members gathered at the First United Presbyterian Church, Mrs. Jack Cormier, hostess, served a 1 o'clock dessert luncheon to 27 ladies.

Mrs. Raymond Horn gave the club collect and Mrs. Wilford Cooley led the pledge of allegiance. "Faith of Our Fathers" was sung by the group under the leadership of Mrs. E. F. Reiske.

Mrs. Alfred Pape, Coterie president, conducted the business session and welcomed a new member, Mrs. Keith Edwards.

Mrs. Clarence Boettiger, program chairman, introduced the guest speaker, who opened the subject to general discussion and evaluation following her talk. The Lord's Prayer was offered in conclusion.

Plans were made for the annual Christmas party and also the next business meeting at the

church. At the latter event, Mrs. Lyndell Hagaman will serve as hostess and Mrs. Cooley will present the program and a silent auction.

COSTOFF IN HOSPITAL. Madison Fourth Ward Alderman Christ Costoff is in satisfactory condition in room 537 at Deaconess Hospital, St. Louis, following an appendectomy. Alderman Costoff may have visitors.

Guest speakers at St. Paul's

Beginning Tuesday, the Rev. Wayland W. Gawthorp and his wife, Joan, will be ministering each night at 7 o'clock at St. Paul's Church of the Nazarene, 4300 Maryville Road. Services will continue through Sunday, Nov. 24.

The Rev. Gawthorp is an elder in the Church of the Nazarene and a graduate of Trevecca Nazarene College, Nashville, Tenn. He hears his Bible messages to the needs of both young and old, the Rev. Odie R. Brown, St. Paul's pastor, said.

His wife will be assisting him in the special singing. The Rev. Brown has invited friends and neighbors in the community to attend any of the services.

Value of health education stressed

Illinoisans are interested in their health but find it a topic hard to get a handle on, it was concluded at a discussion yesterday.

When they have it, they take it for granted. However, with increased knowledge about health problems, people are beginning to realize they must accept responsibility for their own health, participants said.

How closely are health problems related to personal problems? If nervousness is one of today's greatest health problems, who is responsible for its cause, care and cure?

Who is responsible for the poor health of the individual who has had poor dietary habits, who has eaten, exercised or rested too little, who has smoked, consumed alcohol or taken drugs too much? If there is a relationship between life style and health, what can be done?

Illinois leaders representing medicine, education and the community met together at the "Confidence for Health" Wednesday in Chicago to help find the most practical ways to improve the national and state health status.

The conference, sponsored by the Illinois State Medical Society and Auxiliary, found that health is closely related to patterns of living learned throughout life and largely determined by "what you know, your attitudes, your values and your behavior."

There is an urgent need for greater understanding of health and a need for willingness to alter habits on the part of the consumer, conferees said.

The individual consumer, with proper education for health, can take the initiative by utilizing the services available and carrying out the necessary personal steps for success, it was contended.

"The time is now for health education. Comprehensive school health education is developing, patient education is receiving more attention, and community health education is growing," Dr. Joseph Skom, Chicago, president-elect, Illinois State Medical Society, told the conference.

He reviewed programs the society has started to inform the public and to motivate citizens to improve their quality of life.

For more than ten years, "Dr. Sima" has been a familiar symbol associated with ISMS health education activities, through radio and television, Illinois high school and junior high school columns,

exhibits at fairs, newsletters and awards programs for medical writers.

Dr. Skom related that "to be most effective in the schools, health education should be a well-delineated and carefully organized program, with proper attention to the sequence and scope of instruction throughout the student's school years."

"It should not be scattered segments that occasionally focus on crisis topics such as drug abuse or social disease. These topics should be given appropriate attention in the overall health education curriculum."

"For the student to grow into a healthy and mature individual, he needs a program that has the proper concern for all aspects of personal, family and community health."

"The process should help the student develop desirable values for living and aid him in making the best choices from the possible alternatives."

The Illinois Board of Higher Education has called for an educational system utilizing available resources more fully.

A panel of representatives from five universities that offer professional preparation for teaching health education expressed a desire to work cooperatively in meeting the health needs of communities and school-age children in the state.

Dr. Donald N. Boydston of Southern Illinois University served as moderator and panel members were: Thomas Janeway, Illinois Office of Education; Dr. William Creswell, University of Illinois; Dr. Eileen Harris, Southern Illinois University; Dr. Ann Nolte, Illinois State University; Carolyn Smith, Eastern Illinois University; and Dr. Robert Synovitz, Western Illinois University.

Citizens are being urged to promote health education in Illinois schools through implementation of the Critical Health Problems and Comprehensive Health Education Act, passed by the 77th Illinois General Assembly and signed into law on Aug. 31, 1971.

Dr. Wallace Ann Wesley, director, Department of Health Education, American Medical Association and Marcy Schwabebauer, coordinator of the Illinois Association of Chicago, conducted a valuing workshop that gave conference participants the experience of recognizing how their behavior is influenced by their

knowledge, attitudes and practices.

"Everyone should remember that, by the role society has assigned him, he is a health educator; his behavior patterns are copied by those he is in contact with," the speakers said.

"The challenge for the public is to accept and promote health education, which is essential for all community health services and is basic to every health program."

"Through cooperative action of health care providers,

educational systems and citizen-consumers, we can promote physical, mental, emotional, social and spiritual well-being."

The conference closed with a Bicentennial thought that "the strength of America will continue to depend on the health of her people."

J. M. Ingalls, M.D., Paris, is president of the Illinois State Medical Society. Mrs. Eugene (Millie) Vickery is president of the Illinois State Medical Society Auxiliary.

Open 'Plant Land'

Ted's Hardware Co., 1918 Delmar Ave., is completing a new department, "Ted's Plant Land," featuring live plants of all kinds.

One segment of the store, including a large front window, has been decorated with the appearance of a greenhouse and potted and hanging plants are displayed.

As part of the opening of the new section, Ted Berger,

owner, is offering a free live terrarium plant to the first 200 customers making a purchase anywhere in the store this weekend.

Berger predicted he will be adding many unusual types of plants as the plant department grows.

Advice on the proper care of the plants as well as accessories to aid their growing will be available, he said.

Madison ministers elect

The Madison Ministers' Council elected officers for 1975 last week. Rev. J. Michael Smith of the United Methodist Church was elected chairman.

Rev. Ellis B. Seals, of the African Methodist-Episcopal Church was elected vice-chairman and Rev. Vladimir Lesko, of the Eastern Orthodox Church was elected secretary.

Other denominations represented in the council are Church of God, Southern Baptist, Mount Nebo Baptist, Roman Catholic and Presbyterian.

The ministers discussed the need for the churches in Madison to provide stronger moral leadership in the life of the community.

A continuing interaction with Madison school officials was listed as a top priority for next year.

Rev. Smith, chairman of the

council said, "There is a need for the people of Madison to be aware of the Christian Community that lives and works here. The Ministerial Council intends to work for that awareness."

Future meeting plans include dialog with resource persons in the area of community and human development.

Open house tonight

The Madison County Association for Retarded Citizens will hold open house this evening at its two preschool center locations, Central Christian Church, 2620 Johnson Road, and the Elm Street Presbyterian Church, 101 W. Elm St., Alton. The public is invited to view the facilities and work schedule from 7:30 to 9:30 p.m. tonight.

Traffic injuries rise

Ninety-eight persons were injured in 54 traffic accidents occurring in the Quad-City area during October, an increase of 48.4 per cent over the 66 traffic injuries in the previous month and a 28.9 per cent increase over the injuries in October 1974, according to accident statistics computed by the Press-Record.

A total of 54 accidents occurred in the Quad-City area during October, the highest number in any single month since June when 71 accidents resulted in injuries to 95 persons.

Two persons were injured fatally during October, compared to two traffic deaths in September this year and a like number in October 1974.

The number of traffic injuries last month was the second highest in any month so far this year, exceeded only in March when 104 persons were injured in 68 accidents in the Quad-Cities.

The number of persons killed in October accidents was exceeded, however, in four other months this year: seven in June, four in April, three in February and four in August.

Last month's accidents brought to 491 the total number of mishaps occurring in the area during the ten months of the year, down 20 from the 511 accidents occurring in the ten-month period of 1974.

While there were fewer accidents during the period, the number of injuries during the ten months this year total 762 through October, compared to 701 during the same period in 1974.

The two fatalities in October brought to 25 the total number of persons who died in accidents so far this year, up three over the total of 22 reported for the same period last year.

The number of accidents, number of persons injured and fatalities during the first ten months of this year, in that

order, are:
January, 39 accidents, 50 injuries and one fatality;
February 38-76-3; March 68-104-3; April 35-59-4; May 48-66-0; June 71-95-7; July 50-84-1; August 43-64-2; September 45-66-2; October 54-98-2.

STUDENT COUNCIL WORKSHOP at Grigsby. Grigsby Junior High School hosted a Student Council workshop during the weekend with representatives attending from 11 schools. From left to right, seated, are Ken Logan of Fairview Heights, southwestern district representative for junior high student councils; James Swannick, Grigsby council advisor; Mike Rosselli, of Kankakee, state workshop chairman; Pat Schuman, assistant principal at Grigsby, and Joseph Lucco, Illinois state representative of the 56th Legislative District, the keynote speaker. Standing at right is Tony Pierce, president of the Grigsby Student Council.

DISCUSSION GROUP. The Student Council Workshop hosted by Grigsby Junior High School during the weekend included two general sessions and several small discussion groups on the topic of good student government. Karen Simpson, seated at right, a member of Granite City High School North Student Council, leads one of the discussion groups. Students attending the workshop were from 11 different schools in the area.

Nick Nixon to perform at Nameoki dance

The Nameoki Township Women's League will hold its annual fall dance Saturday at the Operating Engineers' Hall, 520 Engineer Road, Mitchell. Nick Nixon, country and western recording artist, will provide live music with many of his hit songs which have been high on the hit charts. Some of his latest hit releases are "Keep Your Back Porch Light On," "I'm Too Used to Loving You" and his newest release, "An Old Love Turned Memories."

Nixon recently was awarded the entertainer of the year award by the Country People's magazine.

Tickets for the dance may be purchased at the door for \$10 per couple or in advance by calling 831-1631 or 797-0253.

State hearings for Democratic Party aspirants

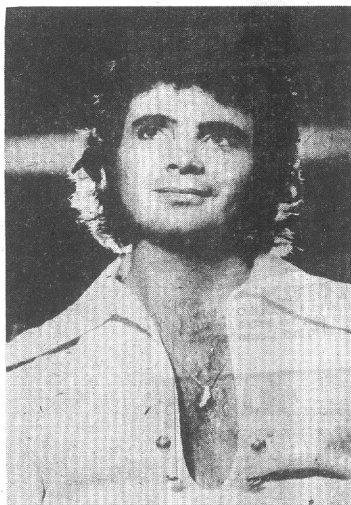

John P. Touhy, chairman of the Democratic State Central Committee of Illinois, announced this week that the committee, sitting with the Democratic Advisory Committee, will hold hearings in Springfield and Chicago for Democrats to present their credentials for state offices—governor, lieutenant governor, secretary of state, comptroller and attorney general.

"Many Democrats have asked me to set hearings, as we have done consistently through the years, so that they could tell their fellow Democrats their credentials for public office," Touhy advised the Press-Record Tuesday.

The hearings will be held in Springfield at 10 a.m. on Nov. 25, at the St. Nicholas Hotel, and in Chicago at 9:30 a.m. Friday and Saturday, Nov. 28 and 29, at the LaSalle Hotel.

"Besides the elected State Central Committee members, I have appointed an advisory committee to hear the potential candidates. The committee represents the Democratic Party with men and women, members of diverse ethnic, religious and racial backgrounds, of different economic status and different philosophical positions, all devoted to the principles and goals of the party," Touhy said.

"All Democrats are invited to appear at the hearings. If a person wishes to present his or her credentials, he or she may contact the State Central Committee office at 534 S. 2nd St., Springfield 62701 or phone 336-533-3471, and you will be placed on the agenda."

NICK NIXON, country and western singer and guitarist, who will entertain at the Nameoki Township Women's League dance Saturday night.

Grigsby Junior High to hold open house

Open House at Grigsby Junior High School will be held Tuesday, Nov. 18 from 7:30 p.m. to 8:30 p.m.

The theme will center around the bicentennial celebration of 1976. The building will be decorated with eagle nameplates on the doors.

The bicentennial flag will be spotlighted and flown on that night. Maps of the building will be outlined in red, white and blue with the Community Unit District 9 emblem.

Pictures depicting scenes of 200 years ago will be shown. Images of presidents, from George Washington through Gerald Ford, will be placed along the hallways.

Marine graduates

Among recent graduates from the Marine Corps Recruit Depot at San Diego, was Private Randall K. Ray, son of Mr. and Mrs. Fred Ray, 2426 Madison Ave.

During the Marines' initial training, the emphasis is on physical conditioning, discipline and team effort. Recruits attend classes on history and organization of the Marine Corps, uniform regulations, first aid and military customs, and receive instruction in close order drill.

The home economics classes will bake cupcakes decorated with flags to be served as part of the refreshments. Student Council members serve as ushers, dressed in attire befitting the occasion.

A stockade will be made but hopefully not used by any of the fenders for the evening, student leaders said.

MR. MRS. JOHN LILL NAME SON JOHN DAVID

Mr. and Mrs. John H. Lill, 221 Nameoki Drive, are announcing the birth of a son on Nov. 5 at Bellevue Memorial Hospital.

The new arrival weighed nine pounds, eight ounces and has been named John David.

He has a sister, Jane Elizabeth Lill.

2ND HOUSE BURGLARY

The home of Mary Delaloye, 2440 Madison Ave., was entered for the second time in seven days, the owner reported at 4:30 p.m. Monday. A board was kicked from a rear basement window and the door to the upstairs was damaged to gain entry. It was not known if anything was stolen.

RANDALL K. RAY, the son of Mr. and Mrs. Fred Ray, 2426 Madison Ave., has completed basic training at the San Diego Marine Base in California. He presently is training on heavy field equipment at Camp Pendleton, Calif., and soon will be sent to Okinawa for 13 months.

Boy arrested after incident on parking lot

A 16-year-old Granite City boy was arrested in the parking lot of Tri-Mor Bowl on Nameoki Road at 8:05 p.m. Monday and is to face juvenile court action on a charge of attempted auto theft after he allegedly tried to break into a pickup truck on the lot.

A man who had been hired to watch the parking lot while a citizens' band radio club was meeting in the bowling building, reported seeing a youth crouch beside a pickup truck which has a citizens' band antenna.

When the man approached the youth, the boy allegedly threw something under the truck. The boy was taken to the bowling lanes office and police were called.

Officers alleged finding a coat hanger which has been straightened laying on the ground near the truck. Coat hangers are being used to unlock vehicle doors.

Conference for school boards

The joint annual conference of the Illinois Association of School Boards, Illinois Association of School Administrators, and Illinois Association of School Business Officials will convene at the Palmer House in Chicago on Nov. 22, 23 and 24.

More than 7,000 participants will represent all of Illinois' 1,000 school districts.

Guest speakers will include Joseph M. Cronin, Illinois superintendent of education; Cecil A. Partee, president pro tem of the Illinois Senate; W. Clement Stone, philanthropist, publisher and insurance executive; and Marilyn Van Derbur, a former Miss America and highly sought as a motivational speaker.

Illinois school board members, administrators and business officials will participate in panel discussions, covering such topics as collective bargaining, school finance, board-superintendent relationships, citizens' advisory committees, energy conservation, declining enrollments and decreased revenue combined with rising costs, evaluation of the administrative staff, special education and recent court decisions.

business meetings and round-table discussions will be held throughout the three days. School officials also will examine over 100 exhibits of latest school equipment, supplies and services.

Nameoki Presbyterian to mark silver anniversary

Nameoki United Presbyterian Church, 1700 Ponton Road, will observe its silver anniversary Sunday with a recognition service at 10:45 a.m. in which charter members and former pastors will be honored. It was announced by the present pastor, the Rev. Don F. Pierson.

Rev. Pierson said an anniversary idea will take place at the church at 2 p.m. Sunday to provide an opportunity for members and friends to convene for a social afternoon.

The observance is being held a year later than usual because of extensive remodeling of the interior of the church a year ago, Rev. Pierson said.

Church officials compiled a history of the church, as follows:

As the area north of Granite City called Nameoki began to develop after World War II, it became apparent that the services of a church were needed. The Presbyterians were the first to respond and the Nameoki Presbyterian Church was born.

The Synod of Illinois sent Miss Ruth Mohr to Nameoki in 1917 to

organize the area's first Sunday School. Classes, and later church services, were held in the Nameoki Elementary School on Ponton Road. Wilford Widows served as the first Sunday School superintendent.

Later that year, on Oct. 1, 1917, the pastor of the Mitchell Presbyterian Church, the Rev. Robert C. Chapin, began regular worship services in addition to his duties in the Mitchell church. A council of interested adults was formed and met monthly to oversee the developing congregation.

The group felt the necessity of becoming a full-fledged congregation and presented Alton Presbytery with a petition containing names on April 19, 1919. Just a month later, on May 15, 1919, the Nameoki Presbyterian Church was legally organized; the first officers of the church were installed at that same service.

Land for a church building was provided through the generosity of George W. Stearns, a real estate developer involved in the growth of the Nameoki area. He was one of a

number of members from the First Presbyterian Church of Granite City to make a significant contribution to the early growth of the Nameoki church.

On Dec. 19, 1940, the congregation along with visiting ministers and friends, gathered at the site, just east of the Nameoki Elementary School, to dedicate the land.

A Building Committee was formed to present plans for a new structure not to exceed \$35,000. On Sept. 7, 1950, the contract for the building was awarded to the M. H. Wolfe & Co. of Granite City. Ground-breaking ceremonies were held later that month on Sept. 24, and the construction of a modest-

sized combination sanctuary and fellowship area was undertaken. The first service held in the new building was on June 3, 1951.

Steady growth marked the early years and in 1954, Nameoki Presbyterian Church had a membership of 115. The following year, in May 1955, the first pastor Rev. Chapin left the field for new work.

Marked growth occurred in the late fifties, sparked by the Rev. Calvin Marcum who was called to the Nameoki Presbyterian Church in October 1955. An expanded program and membership necessitated an addition to the facilities. This was completed in 1958 at a cost of \$30,000. Membership was

then about 200.

The membership was to reach nearly 300 by 1962, when the Rev. Marcum left in July of that year for a new field. A period of declining membership began that was to last 10 years.

The Rev. W. Sherman Wilson came to the congregation in May 1963, but left in August, 1964. The average church attendance in 1964 had decreased to 128, a loss of 30 per week from the 158 average of 1962.

The Rev. and Mrs. Gail Cross arrived in January, 1965 and were to continue serving until August, 1969. The church was without an installed pastor until a year later when Rev. Lawrence E. Jackman arrived in 1970. A year and a half later,

he left to become associate pastor in Alton and the church was once again vacant. The Rev. Richard A. Risser was to become interim pastor for nearly two years.

Nameoki Presbyterian Church was ready for a fresh beginning after years of decline. The new chapter began with the calling of the present pastor, the Rev. Don F. Pierson in September, 1973. The Piersons had served the Princeton, Iowa, congregation near Davenport for 19 years prior to his call to Nameoki.

Since then, the church has experienced a rebirth that not only has sent attendance climbing to an average of 100 in 1974, but has seen a growing

effort to provide a varied program to meet the spiritual needs of the congregation and community.

A \$55,000 remodeling program transformed the existing facilities into a beautiful setting for the Christian worship, fellowship and education for a growing congregation. This was begun in August, 1974 and completed in November of that year. The attractive sanctuary and flexible fellowship and Christian education area has drawn much praise. Moveable, modular furnishings permit the fellowship area to be used for large or small gatherings.

The single area not touched by the 1974 remodeling was the church kitchen. A kitchen planning committee has adopted a practical and attractive plan for this badly-needed facility to serve the

growing program. This will cost about \$5,200 and has been designated as a silver anniversary project.

"In a day of radical change and deep confusion, we are privileged to belong to a stable community of Christians marked by thankfulness, love, and hope. God has given us the opportunity for a fresh hearing and sharing of the good news. We rejoice in the strong mood of optimism and growing commitment to Christ in the Nameoki Presbyterian Church, Rev. Pierson added."
